LITIGATIONS PENDING AGAINST ITSL AS THE TRUSTEE

1	**SBICAP Trustee & Ors Vs. ITSL & Ors. - O.S.No. 25877/2013, before the City Civil court Bangalore case was transferred on 31.05.2019 to Commercial div. CITY CIVIL and SESSIONS JUDGE Bangalore case is registered as Commercial Disputes case in Com. O.S. No.25877/2013**
	Current Status – ***a) The matter has been stayed by the order of the Hon'ble High Court of Karnataka and the stay is extended.*** ***b) On 15/02/2024, the case was called out in open Court. Advocate for defendant no.1 present and filed memo stating that, 6 months has expired from the date of interim order on 14.02.2024. Advocate for plaintiff present and filed memo along with case status of W.P.no.17774/2023. Await orders. Call on 05.06.2024.*** **Brief Background -** SBI Cap Trustee (the "Plaintiff") had filed a suit before the City Civil Court, Bangalore against the Trustee and others (the "Defendants") requiring sale of pledged shares for a particular price by SREI Fund/Investors, for whom the Trustee was acting as the share pledge trustee. India Competitive Global Fund (ICGC) acting through the SREI Investment Manager had a First & Exclusive Charge over the Pledged shares. At the instructions of the ICGC & SREI Investment Manager had transferred the Pledged shares to their demat account as they has First & Exclusive right over the shares. We as Share Pledge Trustee has acted on the instructions of the Lenders/Investors. ICGC/SREI sold the shares and appropriated the amounts towards their dues and transferred the surplus amount to the Plaintiff. The Plaintiff is acting for a consortium of lenders and has residual interest. The Plaintiff's case is that the ICGC/SREI has appropriated more amount than their dues. The aggregate claim amount is Rs. 1,550.3 million. The Branch Manager of SBI along with their counsel submitted to the Court that they are willing to explore settlement. The Court referred the matter for pre-conciliation efforts. In the afternoon session, our Advocate appeared before the Conciliator. Advocate briefly explained the dispute to the Conciliator. The Plaintiff informed the Conciliator that if Trinity provides the details of the loan transaction and a statement of accounts in relation to the same, this information would help them resolve the dispute quickly. The case was listed on 30.09.2021 for further conciliation. As no representative was present on behalf of the Company, the Court has recorded that there is no settlement between the parties. The case was adjourned to October 27, 2021 for the parties to proceed with the litigation. The case is now revolving around the proving of the dues by ICGC/SREI and appropriation of amounts. We as ITSL had no role in sale of shares, maintenance of books of accounts and appropriation of amounts and transfer of surplus amount. The matter was adjourned to 16.11.2021 for framing of Issues, 23.11.2021 for filing of list of witnesses ICGC, SREI & ITSL, for filing of affidavit of evidence by SBI, 07.12.2021 for cross examination of witnesses of SBI, 14.12.2021 for filing of affidavit of evidence by ICGC/SREI /Trinity/ITSL and 21.12.2021 for cross examination of witnesses of Trinity and ITSL and 07.01.2022 for further orders. We as ITSL has filed an application under Order 1 Rule 10(2) read with Section 151 of the Code of Civil Procedure, 1908 for unsuiting ITSL from the suit and for deleting the name of ITSL from the array of the parties. The matter is now listed on 30.06.2022 for arguments on the application of ITSL for deleting the name of ITSL from the array of the parties. ITSL has no role in sale of shares & appropriation of sale proceeds. The Plaintiff appeared and filed the amended plaint and copies of the documents in two volumes (volume I consisting of 410 pages and volume II consisting of 598 pages). The Learned Judge upon examining the volumes observed that the Plaintiff had not filed the statement of truth. Therefore, the Learned Judge adjourned the matter for filing the statement of truth and additional written statement, if any. ITSL has filed its additional Written Statement on 12th August, 2022. The matter adjourned to 25th January, 2023 for the reply arguments by the Defendants 2 & 3. The main contention taken by the Plaintiff Advocate while arguing on IA is that they are entitled for complete residual dues which Defendant No 2 & 3 have received while selling the pledged shares. Plaintiff's IAs dismissed as not survived for consideration. Now the matter is posted on 08th December, 2023**.**
2	**Muthoot Finance Ltd. Vs. Trustees Association of India (TAI), ITSL, Axis Trustee & SBICAP Trustee) – (Case No.29 of 2021) before Competition Commission of India (CCI).** ***Current Status:-*** ***i) CCI vide its Order dated the 14th March, 2024 rejected the application dated 21.03.2023 and held that DG may continue its investigation.*** ***ii) Additional Director General, CCI vide his letter dated the 15th March, 2024 addressed to ITSL, directed to provide the requisite information/documents as sought by CCI vide notice dated 18.02.2022 latest by 26.03.2024.*** ***iii) We have submitted the required information on 11.04.2024 and 15.04.2024.***

	Brief Background On 10.09.2021, the Competition Commission of India(CCI) received an information from Muthoot Finance Limited (Informant) against Trustees Association of India (TAI) and three of its members, i.e., IDBI Trusteeship Services Limited, Axis Trustee Services Limited, and SBI CAP Trustee Company Limited (collectively referred to as 'OPs') for alleged contravention of Sections 3(3) and 4 of the Competition Act, 2002 (Competition Act) (hereinafter referred to as the 'Information'). I .e. for entering into anti-competitive agreement and formation of Cartel. CCI. The CCI has passed an order dated 23.12.2021 under Section 26(1) of the Competition Act, 2002 (Competition Act) directing the Director General to investigate the conduct of Trustees' Association of India's (TAI), IDBI Trusteeship Services Limited (IDBI), Axis Trustee Services Limited and SBICAP Trustee Company (together referred to as the 'OPs') and its office bearers for *prima facie* violating Section 3(1) read with Section 3(3) of the Competition Act (Prima Facie Order) dealing with anti-competitive horizontal agreement (including cartel). TAI, ITSL, Axis Trustee & SBICAP Trustee filed Civil Writ Petition Nos. 3781 of 2022, 3791 of 2022, 3842 of 2022 and 3847 of 2022 respectively before Bombay High Court challenging the jurisdiction of CCI as the SEBI as Sectoral Regulator has Jurisdiction to decide the matter. The matter has been adjourned to 15th February, 2023 for hearing on Application by CCI for vacation of Stay. At the hearing held on 21st February,2023, the Bombay High Court directed CCI to first decide the jurisdictional issue, leaving all other contentions open. Matter to go before CCI. The matter was listed before the Competition Commission of India (CCI) on13.12.2023 for hearing. After hearing both the parties, the CCI concluded that the parties are at liberty to file additional submissions (if any) on any additional points within one week. Additional written submissions have been filed on 21/12/2023. CCI Order is awaited.
3	**R.K. Mohata Family Trust Vs. ITSL & Ors.** **Current Status :** **Arising out of SLP© No. 411 of 2023 filed by Authum Investments & Infrastructure Ltd.(AIIL) Vs. R.K.Mohata Family Trust & Ors, Supreme Court vide their Order dated the 3rd March,2023 allowed the Resolution Plan filed by AIIL and directed AIIL to make the payments prior to 31st March, 2023. AIIL has made the payment.** **Brief Background :** One Mr. R.K.Mohata Family Trust has filed Commercial Suit (lodging) No. 27568 of 2021 before Bombay High Court against ITSL & RHFL praying for holding of meeting of debenture holders of RHFL as also damages of Rs.1,05,50,902 against ITSL towards his investment. Hon'ble Bombay High Court vide their orders dated the 31.03.2022 read with the Order dated the 06.04.2022 and the order dated the 10.05.2022directed ITSL to hold the meeting of debenture holders. ITSL convened a meeting of the debenture holders on 13.05.2022 and as directed by Hon'ble Bombay High Court and the Results of the voting of meeting have been placed before the Hon'ble Bombay High Court in sealed cover. The matter is *sub-judice* before the Hon'ble Bombay High Court. Authum (AIIL) filed an appeal before the Hon'ble Supreme Court against the order of BHC. The matter was listed for hearing on 31st January, 2023. The matter was part heard and thereafter adjourned.
4	**SCR 109885 – 1/394/14 - J Patel & 68 Others (All investors of Dynamic India Fund III) Vs. Dynamic India Fund III, International Financial Services, ICICI Venture Funds Management Company Limited, ICICI Bank and ITSL , before Supreme Court of Mauritius** **Current Status :** ***Hearing for the appeal filed by the Plaintiffs, against the order dated June 03, 2022* was scheduled on May 18, 2023. The matter has now been fixed for Merits on May 13, 2024 before the Supreme Court. May 13, 2024 hearing has been postponed to June 27, 2024.** **Brief Background :** Suit is filed by investors seeking compensation and damages of Rs. USD 103, 699, 976 for the loss of their investments in Dynamic India Fund III from Dynamic India Fund III, International Financial Services, ICICI Venture Funds Management Company Limited, ICICI Bank and ITSL. All the Defendants including ICICI Venture have raised preliminary objections to the Suit.

	DIF III has raised five preliminary objections to the Suit viz. (i) Plaintiffs have been wrongly styled; (ii) Suit is a disguised derivative action and the appropriate court to hear it is the Commercial Court and not the Civil Court; (iii) there is a connected Stay Application filed before the Commercial Court by DIF III that the Suit has to be stayed as the Suit is a Class Action suit and hence the Commercial Court and not the Civil Court has the jurisdiction to hear the Suit; (iv) the Plaintiffs should have put the other shareholders of DIF III into cause; and (v) the Plaintiffs have to provide Security for costs to all the Defendants. The other Defendants have raised preliminary objections with respect to privity of contract and jurisdiction of Mauritius Courts. Nearly 6 years after the Suit was filed in 2014 in Mauritius, on January 28, 2020, the court heard arguments on only two of the preliminary objections raised by ICICI Bank and ICICI Venture viz. (a) Mauritius court lacks jurisdiction to hear disputes between non-Mauritians (both the Plaintiffs and the Defendants No. 3 and 4 i.e. ICICI Bank and ICICI Venture are not Mauritius residents); and (b) Mauritius court is not the convenient forum to hear the disputes raised. The arguments relied, amongst others, related to the facts that (a) alleged conduct of ICICI Bank and ICICI Venture did not admittedly happen in Mauritius and offences, if any, happened in India; (b) investments were in real estate projects in India; (c) investments were in a real estate fund in India; and (d) Indian law governs the contractual relationship between the parties. By an order dated June 9, 2020 the Supreme Court of Mauritius stayed the proceedings as against ICICI Bank and ICICI Venture on the grounds that none of the allegations made against ICICI Bank and ICICI Venture occurred in Mauritius and hence the courts in Mauritius lack jurisdiction to adjudicate such allegations. In the subsequent hearing on July 1, 2020, the Plaintiffs informed the Court of their decision not to appeal against the order staying the proceedings as against ICICI Venture and ICICI Bank. The proceedings would continue against the other Defendants viz. DIF III, IFS and the Trustee. The Supreme Court of Mauritius vide its order dated the 3rd June, 2022 have deleted ICICI Bank and ICICI Venture Fund Management Company Ltd. from the array of the parties allowed to continue the case against Dynamic India Fund III, SANE Mauritius and the WITECO now ITSL. The Plaintiffs have filed an appeal against the said Judgement dated the 3rd June,2022 passed by The Supreme Court of Mauritius. ICICI Venture Fund Management Company Ltd. is taking care of the matter on behalf of ITSL as a Trustee and also appointed Counsels to defend ITSL. We have taken up the matter with the ICICI Venture stating that WITECO now ITSL is also not a Mauritius resident and Mauritius court is not the convenient forum to hear the disputes raised and hence lacks the jurisdiction. Further, ITSL is acting only as a trustee and there cannot be any claim against ITSL at all as ICICI Venture Fund Management Company Ltd. was Investment Manager of the Fund who has managed all affairs of the Fund.
5	**Pawan Kapoor & Anr. Vs. SEBI & Ors.(Karvy Data Management Services Ltd)** **Current Status :** ***The matter was listed on 05/02/2024 for early hearing. The Petitioner had filed an application being CM. Appl. 62768/2023 for early hearing which was listed for hearing on 05.12.2023 before HMJ Subramonium Prasad, as Item No. 48 (Supplementary List), in Court No. 7, Delhi High Court. The Hon'ble Court after hearing the parties was not of the opinion to entertain the application filed by the applicant/petitioner, since, no case of urgent hearing was made out. Accordingly, the said application for early hearing was dismissed and the court directed the matter to be listed on the date already fixed i.e. 05.02.2024.*** ***Pursuant to the order dated 19/12/2023 passed by Delhi High Court, MCA has launched inspection of ITSL vide letter dated the 19th December, 2023. We have provided the data to Regional Director (RD) , MCA, Western Region, Mumbai on 1st January, 2024. RD had called us for personal hearing on 04/01/2024. RD has issued a letter dated 8th January, 2024 calling information. We vide our letter dated***

	the 24th January,2024 provided all documents together with supporting documents duly signed by Director of ITSL to Regional Director, MCA, Western Zone. ***The matter before Delhi High Court is now fixed on 2nd August, 2024.*** **Brief Background** In the case of Karvy Data Management Services Ltd ; one Pawan Kapoor & Amri Resorts Pvt. Ltd. the Debenture Holders have filed Writ Petition before Delhi High Court, inter alia against ITSL alleging various non compliances by ITSL and for not initiating action against Karvy Data Management Services Ltd. for defaults in payment of interest & Principal. The matter was listed before Hon'ble Delhi High Court on 19.12.2022. The Hon'ble Delhi High Court has directed Ministry of Corporate affairs to investigate in the complaint and provide report.
6	**Mr. Kamlakar Babu Alias Baburao Patil & Others and ITSL & Others** **Current Status:** **The matter has now been listed on 20/06/2024 for further proceedings.** **Brief Background.** One Kamalakar B. P has filed declaratory civil suit bearing No 226/2023 of which we have received notice from court of civil judge (Senior Division) Thane on 28/07/2023. The suit is basically for declaration of deed of mortgage dated 15/06/2021 executed by defendant no. 2 to no.7 in favour of ITSL as defendant No 1 as void, illegal, invalid, non-est, not binding on the plaintiffs together with relief for permanent injunction from entering into the suit property, selling in auction and/or agreeing to sale in auction the suit property under the garb or colour whatsoever. The plaintiff has also prayed for temporary injunction from selling of the suit property.
7	**Contempt Petition (Civil) No.953 of 2023 in Civil Appeal No. 1581 of 2023- Praduman Tondon & Ors. Vs.Sanjay Soumitra Dangi & Ors. (Authum/RHFL case) before Supreme Court of India.** **Current Status –The matter has been fixed for hearing on *20th August, 2024.*** **The matter was listed on 9th October, 2023 before the bench comprising of Hon'ble Mr. Justice B.R. Gavai, Hon'ble Mr. Justice P S Narasimha and Hon'ble Mr. Justice Prashant Kumar Mishra before the Hon'ble Supreme Court of India.** **Senior Counsel Mr. Gopal Sankaranarayanan along with the SAM team appeared for Respondent No.20 i.e. IDBI Trusteeship Service Limited, Senior Counsel Mr. Nikhil Nayyar appeared for Respondent No. 1-9 i.e. Authum Investment and Infrastructure Limited and its directors and Senior Counsel Mr. Dhruv Mehta appeared for Respondent No. 10-19 i.e. Reliance Home Finance Limited and its directors.** **When the matter was called, the counsel for the Petitioners submitted that counter-affidavits have been filed in the matter and they seek time to file rejoinders to the same. Pursuant to the same, the counsel for the Petitioners prayed that the matter be next listed on a non-miscellaneous day for hearing. Mr. Sankaranarayanan thereafter apprised the Hon'ble Court that there are three similar contempt petitions that have been filed before the Hon'ble Court, however Respondent No. 20 is only a party to the captioned contempt petition. He further contented that no case has been made out against Respondent No. 20 and therefore they should be deleted from the array of parties in the captioned matter. Such request was however objected to by the Appellant. In reference to the same, the Hon'ble Court passed an oral remark that Respondent No.20 should file an application for deletion from the array of parties, if they wish to be deleted.** **Brief Facts** This Contempt petition has been filed against Order dated the 3rd March, 2023 passed by Hon'ble Supreme Court of India. The case of the Petitioners is that the cut-off date of 15th April 2022 for voting on the Resolution Plan and the Distribution Mechanism was not known. The matter was listed on 22/09/2023. Senior Counsel suggested to file an application for deletion of ITSL's name from array of the parties. The application is being prepared and filed. The fresh date in the matter is yet to be notified. We have engaged Shardul Amarchand Mangaldas & Co Advocates & Solicitors to represent ITSL before the Supreme Court.
8	**CBM Constructions LLP Vs. IDBI Trusteeship Services Ltd. & Ors.- Suit No. CS SCJ/987/2023 before Senior Civil Judge cum RC, South-East, Saket, New Delhi.**

	Current Update : **The Matter was listed for hearing on 16.01.2024. The matter has now listed on 13/08/2024.** **We have filed our WS and Application for deletion of our name from array of the parties on 11th January, 2024.** **Brief Background :** CBM Constructions LLP, one of the Debenture Holder in the case of Three C Green Developers Pvt. Ltd. has filed suit bearing No. CS SCJ/987/2023 before Senior Civil Judge cum RC, South-East, Saket, New Delhi , praying for:- i) directions to ITSL for transfer of pledged shares of defendant no.2 and 5 and place the directors in the said companies ii) permanent and prohibitory injunction restraining defendant nos.3,4,6,7,8 &9 in any manner corresponding with any third agencies on behalf of defendant No.2 and 5 iii) directing defendant no.1 to immediately execute the share transfer in its favour and place the directors in defendant No. 2 and 5 as called upon by communication dated 5.8.2023 iv) Declare that defendant no.3 to 10 have no right and interest in defendant no.2 and 5. v) Prayer against ITSL for transfer of Pledged shares has already been complied by ITSL and suit against ITSL do not survive.
9	**Spenta Suncity Private Ltd – Moniveda Consultants LLP & Anr. Vs. ITSL & Pradeep Kumar Malhotra - Contempt petition 616 of 2023 And Civil Appeal 9052-9053 of 2022 Before Hon'ble Supreme Court of India- Pradeep Kumar Malhotra and ITSL.** **Current Status:** **At the hearing held on 11/03/2024, we have filed Counter Replies in both Civil Appeal and Contempt Petition before Supreme Court of India. The Appellants have been directed to file their rejoinder within three weeks. The Matter now is listed on 13/05/2024 for hearing. At the hearing held on 13/05/2024, ITSL the Respondent 10 has been directed to file Affidavit/Undertaking confirming that it is not carrying out any constructions nor it has authorised anyone to carry out any transaction. The matter has been adjourned to 15/07/2024.** **Brief Background –** In the case of Spenta Suncity Private Ltd., one Monivedda Consultant LLP, one of the stakeholder has filed Civil Appeal and Contempt Petition against ITSL & MD P.K. Malhotra for violations of order dated 16.12.2022 passed by the Supreme Court of India. The matter was driven by IIFL the Debenture Holder. The order was not to make further allotment of debentures and create further liabilities on the assets. We have engaged our own advocate and filed suitable replies.

We are pleased to submit this report outlining the scope, procedures, significant considerations, short description of methodology used and the valuation analysis/results.
This report has been prepared only for the purpose stated herein and should not be relied for any other purpose.

The valuation analysis is based on information provided by the Management or obtained from sources as indicated in the report. Our work did not constitute an audit or an examination of internal controls or other attestation or review services. Accordingly, we do not express an opinion on the information presented. Further, the report is based on projections prepared by the Management. We express no opinion as to how closely the actual results achieved will correspond to those predicted for the business and we shall not be responsible or liable for the achievement of predicted results. Our valuation analysis should not be construed as investment advice specifically, we do not express any opinion on the suitability or otherwise of entering into any financial or other transaction with POWERGRID Infrastructure Investment Trust.

By its very nature, valuation analysis cannot be regarded as an exact science and the conclusions arrived at are subject to individual judgement and, therefore, there is, no indisputable single value. Although the conclusions are in our opinion reasonable and defensible, others might wish to argue for different values.

Our valuation and conclusion are included herein, and our Report complies with the SEBI (Infrastructure Investment Trust) Regulations, 2014 and guidelines, circular or notification issued by SEBI there under.

This letter, the Report and the summary of valuation included herein can be provided to Investment Manager's advisors and may be made available for the inspection to the public including but not limited to Unitholders, as a material document and with the Securities and Exchange Board of India, the stock exchanges and any other regulatory and supervisory authority, as may be required.

The valuation methodologies and approaches adopted by us are widely recognised and used. They are in compliance with Valuation standards issued by The Institute of Chartered Accountants of India and International Valuation Standards issued by International Valuation Standards Council (IVSC) and are accepted across India and internationally.

We would also like to record appreciation for the courtesy and co-operation received during the course of our work and look forward to continuing professional association.

Executive Summary

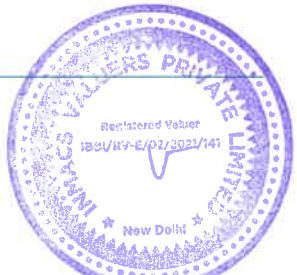

A. General Information

Scope	Report on Fair value of Transmission Assets Portfolio of POWERGRID Infrastructure Investment Trust
Regulations	Regulation 21(4) of SEBI (Infrastructure Investment Trusts) Regulations, 2014 as amended.
Valuation date	March 31st, 2024
Appointed by	POWERGRID Unchahar Transmission Limited, **Investment Manager** to POWERGRID Infrastructure Investment Trust
Report date	May 14th, 2024
Registered valuer	INMACS Valuers Private Limited CIN- U74110DL2017PTC379980 IBBI/RV/06/2018/10016
Board - INMACS Valuers Private Limited	**Vaibhav Jain – Director, RV – Securities or Financial Assets** IBBI/RV/06/2018/10016 **V.S Yadav – Director, RV – Land and Building** IBBI/RV/05/2020/13568 **Rahul Dwarkadas Bajaj – Director, RV – Plant and Machinery** IBBI/RV/10/2019/12484
Valuation reference number	IOVRVF/IMV/2024-2025/3424
Transmission assets portfolio as on date of valuation ('Specified SPVs')	Vizag Transmission Limited ('VTL'), formerly known as POWERGRID Vizag Transmission Limited. POWERGRID Kala Amb Transmission Limited ('PKATL') POWERGRID Parli Transmission Limited ('PPTL') POWERGRID Warora Transmission Limited ('PWTL') POWERGRID Jabalpur Transmission Limited ('PJTL')

B. Transmission Assets Overview

Vizag Transmission Limited formerly: POWERGRID Vizag Transmission Limited	**Inc. Date: November 30, 2011**	**COD: February 01, 2017**
	• Established to setup transmission system for system strengthening in the southern region of India for import of power from the eastern region of India. • Transmission lines length: 956.84 ckm > 765 kV D/C line of 668 ckm from Srikakulam to Vemagiri in Andhra Pradesh. > 400 kV D/C line of 288.84 ckm from Khammam (Telangana) to Nagarjuna Sagar (Andhra Pradesh). • PGInvIT holds 100% stake in VTL.	
POWERGRID Kala Amb Transmission Limited	**Inc. Date: July 29, 2013**	**COD: July 12, 2017**
	• Established to setup Transmission system for Northern Region System Strengthening Scheme NRSS- XXXI (Part A) • 2.47 ckm of transmission line comprising LILO of 400 kV D/C Karcham Wangtoo-Abdullapur transmission line at Kala Amb (Himachal Pradesh) substation (on M/C towers) • In addition, the project includes one 400/220 kV substation of an aggregate transformation capacity of 630 MVA in Kala Amb (Himachal Pradesh), and 40% series compensation on 400 kV D/C line from Karcham Wangtoo (Himachal Pradesh) to Kala Amb (Himachal Pradesh) • PKATL has been allotted a project 'Implementation of One no. 125 MVAr, 420 kV Bus Reactor at Kala Amb substation' by Ministry of Power, GoI under Regulated Tariff Mechanism. The project was notified on March 5, 2019. PKATL was granted a separate transmission licence for the project by Hon'ble CERC vide its order dated March 22, 2022. The project has been put to commercial operation w.e.f. 05th February 2024. • PGInvIT holds 74% stake in PKATL.	
POWERGRID Parli Transmission Limited	**Inc. Date: July 30, 2014**	**COD: June 4, 2018**
	• Established to setup Transmission system associated with Gadarwara STPS (2x800 MW) of NTPC (Part-B) • Transmission lines length: 966.12 ckm > 765 kV D/C line of 693.70 ckm from Warora to Parli in Maharashtra > 765 kV D/C line of 235.92 ckm from Parli to Solapur in Maharashtra > 400 kV D/C line of 36.50 ckm from Parli (New) to Parli (PG) in Maharashtra • In addition, the project includes one 765/400 kV substation of an aggregate transformation capacity of 3,000 MVA at Parli (Maharashtra) • Central Transmission Utility of India Limited (CTUIL) has nominated PPTL for implementation of "400 kV line bay at 765/400 kV Parli (New) S/S for RE inter-connection" under RTM with a completion target of December 31, 2025. • PGInvIT holds 74% stake in PPTL.	

POWERGRID Warora Transmission Limited	**Inc. Date: August 05, 2014** **COD: July 10, 2018** • Established to setup Transmission system associated with Gadarwara STPS (2x800 MW) of NTPC (Part-A) • Transmission lines length: 1,028.11 ckm > 765 kV D/C line of 204.47 ckm from Gadarwara to Jabalpur in Madhya Pradesh (MP), including interim arrangement > 765 kV D/C line of 627.35 ckm from Gadarwara (MP) to Warora (Maharashtra) > Two 400 kV D/C lines comprising LILO of both circuits of 400 kV D/C Wardha-Parli (PG) line aggregating 196.29 ckm from LILO point of 400 kV D/C Quad Wardha-Parli transmission line to Warora pooling station • In addition, the project includes one 765/400 kV substation of an aggregate transformation capacity of 3,000 MVA in Warora (Maharashtra). • PGInvIT holds 74% stake in PWTL.
POWERGRID Jabalpur Transmission Limited	**Inc. Date: August 14, 2014** **COD: January 1, 2019** • Established to setup Transmission system strengthening associated with Vindhyachal-V • Transmission lines length: 745.05 ckm > 765 kV D/C line from Vindhyachal to Jabalpur in Madhya Pradesh. • PGInvIT holds 74% stake in PJTL.

Valuation Method	Discounted Cash Flows Method	Discounted Cash Flows Method	Discounted Cash Flows Method	Discounted Cash Flows Method	Discounted Cash Flows Method
Discount Rate – WACC	8.79%	8.79%	8.79%	8.79%	8.79%
Enterprise Value (₹ Million)	18,730.60	3,938.61	21,427.17	23,539.62	17,067.44
Equity Value (₹ Million)	11,069.05	2,094.40	9,917.63	9,237.13	5,805.95
No. of equity shares outstanding (No. in Million)`	209.73	61.00	322.10	393.30	226.91
Value per equity share (₹/share)	52.78	34.33	30.79	23.49	25.59
Value of Equity Shareholding – PGInvIT (₹ Million)	11,069.05	1,549.86	7,339.05	6,835.48	4,296.40

This executive summary should be read in conjunction with the following full report and not in isolation.

1. Background, Purpose and Appointment

POWERGRID Infrastructure Investment Trust (hereinafter referred to as 'PGInvIT' or "Trust') was settled by Power Grid Corporation of India Limited (hereinafter referred to as' PGCIL') as an irrevocable trust setup pursuant to the Trust Deed, under the provisions of the Indian Trusts Act, 1882.

The Trust was registered with Securities and Exchange Board of India ("SEBI") on January 7, 2021 as an infrastructure investment trust under Regulation 3(1) of the InvIT Regulations having registration number IN/InvIT/20-21/0016.

PGInvIT came out with an initial public offering of its units which opened on April 29th, 2021 and closed on May 3rd, 2021. The units were listed on NSE and BSE on May 14th, 2021 and are actively traded as on date of valuation.

As per provisions of Regulation 21(4) of the SEBI (Infrastructure Investment Trust) Regulations, 2014:

"A full valuation shall be conducted by the valuer not less than once in every financial year: Provided that such full valuation shall be conducted at the end of the financial year ending March 31st within two months from the date of end of such year."

In this regard, the Investment Manager and the Trustee intend to undertake the fair valuation of the transmission asset portfolio (hereinafter also referred to as 'Specified SPVs' collectively) as on March 31st, 2024.

We, INMACS Valuers Private Limited (hereinafter referred to as 'We', 'INMACS' or 'Valuer') have been appointed as independent valuer for POWERGRID Infrastructure Investment Trust vide letter of award dated August 01st, 2022 bearing reference no. 5006003197/OTHERS/DOM/A02-CC CS-3/NOA/01 in pursuance of provisions of the SEBI (Infrastructure Investment Trust) Regulations, 2014 by the Investment Manager to PGInvIT in consultation with the Trustee.

INMACS Valuers is a registered valuer entity registered vide IBBI/RV-E/02/2021/141 with Insolvency and Bankruptcy Board of India (IBBI) providing valuation for following asset classes:

a) Securities and Financial Assets
b) Land and Building
c) Plant and Machinery

Date of valuation for the above-mentioned purpose shall be **March 31st, 2024.**

2. Valuer's Pecuniary Disclosure and Independence

The Valuer has no pecuniary interest in the said Trust, its sponsor, investment manager, project manager, trustee or and any of the Companies in which the investment is made by it. The opinion expressed is free of any bias in this regard. The Valuer strictly follows the code of conduct of the Registered Valuation Organization of Insolvency and Bankruptcy Board of India (IBBI).

Furthermore, Valuer declares that:

- We are competent to undertake the financial valuation in terms of the SEBI InvIT Regulations; and
- We are an independent registered valuer entity and have prepared the Report on a fair and unbiased basis.

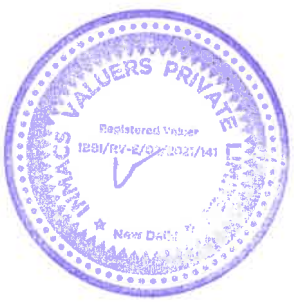

3. Sources of information

Our valuation exercise is based on the following information received from the Management:

- Audited Financial Statements of Specified SPVs for the period ended on March 31st, 2024.
- Investment Manager approved financial projections and business plans of Specified SPVs for the balance tenor of their Transmission Services Agreement ('TSA') (refer table below)

Specified SPV	Tenor of Transmission Service Agreement ("TSA")
Vizag Transmission Limited	31 January, 2052
POWERGRID Kala Amb Transmission Limited	11 July, 2052
POWERGRID Parli Transmission Limited	03 June, 2053
POWERGRID Warora Transmission Limited	09 July, 2053
POWERGRID Jabalpur Transmission Limited	31 December, 2053

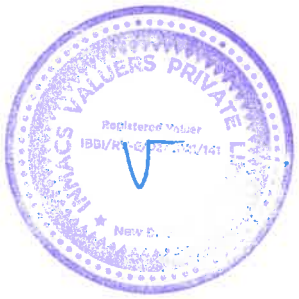

- Copy of TSA, order for adoption of transmission charges, project implementation and management agreement, operations and maintenance agreement.
- Discussions with the Management on various issues relevant for the valuation.
- Information about the SPV's, PGInvIT available in public domain.
- Such other information and explanation as requested by us and as provided by the Management.

4. Valuation procedures

We have carried out the valuations exercise, to the extent applicable, in accordance with ICAI Valuation Standards, 2018 ("ICAI VS") issued by the Institute of Chartered Accountants of India and in concurrence with International Valuation Standards.

- ✓ We have made a thorough understanding of the structure of trust by studying the trust deed along with supporting documents.
- ✓ Analysed the Historical financial data of the Specified SPVs
- ✓ We have made an in-depth study of the financial projections and business plans prepared by management. These have additionally been validated and sanity tested.
- ✓ Held discussion with the Management to the inter-alia understand the historical and expected performance of the Specified SPVs, along with the key factors affecting the performance, through extensive discussion meetings with management
- ✓ We have considered key terms of TSA
- ✓ Drawn an analysis of the key economic and industry factors which may affect the valuation.
- ✓ Analysed the relevant information in respect of the comparable companies/ comparable transactions, available in public domain/ subscribed databases.
- ✓ Appropriate and relevant valuation approach and valuation methodology/(ies) were adopted. Furthermore they were in accordance with ICAI VS.
- ✓ Determined the Enterprise Value and Equity Value of these Specified SPVs to determine the fair value of transmission asset portfolio of the Trust.
- ✓ The detailed valuation report have been prepared after conducting virtual inspection of infrastructure projects by the valuer.

5. Economy and Industry Overview

5.1 Economy Outlook

India has emerged as the fifth largest economy in the world and continues to be one of the fastest growing major economies. India is expected to remain as a top economic player for years to come backed by robust democracy, steady growth across sectors and firm international partnerships.

Estimated Real GDP growth in FY 2023-24 stands at 7.6% as compared to growth rate of 7.0% in 2022-23. The Asian Development Bank (ADB) upgraded India's gross domestic product (GDP) growth forecast for 2024-25 (FY25) to 7 per cent from 6.7 per cent earlier, citing better prospects of robust public and private investment and strong services sector growth.

The optimistic growth forecasts stem from a number of positives like the rebound of private consumption given a boost to production activity, higher Capital Expenditure (Capex), near-universal vaccination coverage enabling people to spend on contact-based services, such as restaurants, hotels, shopping malls, and cinemas, revamped construction activities, strengthened balance sheets of major corporates, well-capitalised public sector banks ready to increase the credit supply and the credit growth to the Micro, Small, and Medium Enterprises (MSME) sector to name the major ones.

India is primarily a domestic demand-driven economy, with consumption and investments contributing 70% to the country's economic activity.

Nominal GDP or GDP at Current Prices in the year 2023-24 is estimated to attain a level of ₹293.90 lakh crore, against ₹269.50 lakh crore in 2022-23, showing a growth rate of 9.1 percent. India's total installed renewable energy capacity touched 190.57 GW mark by March 2024 end. The government's aim is to achieve 500 GW Of installed electricity capacity from non-fossil sources by 2030.

CPI inflation eased to 10 months low of 4.85% in April 2024 from 5.09% in March 2024, with a decrease in both food and core inflation. Industrial output grew 5.7% in February, up from 4.14% in January and 4.3% in December, after falling to an eight-month low of 2.5% in November.

In April 2024, the Gross Goods and Services Tax (GST) collections reached an all-time high of ₹ 2.10 lakh crore, marking a substantial 12.4% growth compared to the same month in the previous year. This impressive increase can be attributed to a robust rise in domestic transactions, which grew by 13.4%, and imports, which saw an 8.3% uptick.

In March 2024, India witnessed a surge across multiple economic indicators, reflecting robust and resilient business activity. The month marked significant milestones, from record breaking performances in the stock market to remarkable advancements in tax revenue collection. The buoyancy extended to the manufacturing and services sectors, as evidenced by the soaring HSBC India Manufacturing PMI and Services PMI. Amidst strong demand and positive market conditions, both sectors experienced substantial growth in output, new orders, and employment.

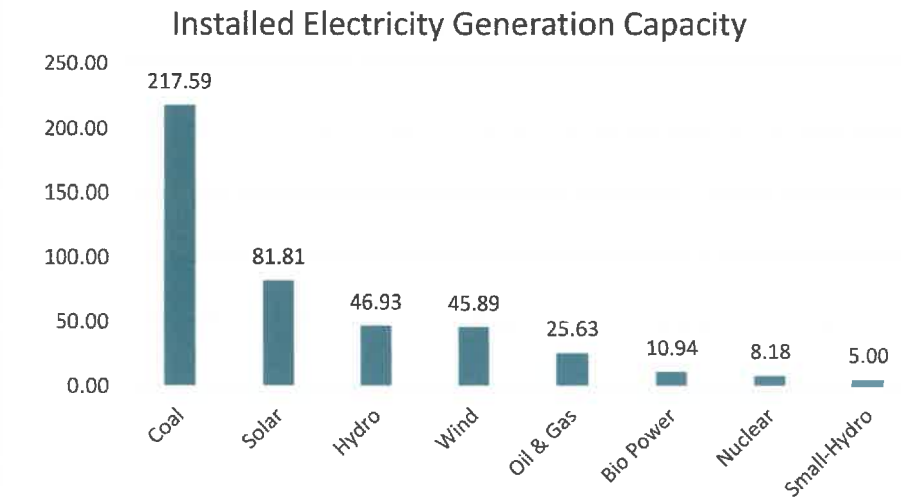

In March 2024, the HSBC India Manufacturing PMI surged to an impressive 59.2, a notable increase from the final figure of 56.9 recorded in the previous month. This upswing was driven by robust demand, marking the fastest growth in factory activity since February 2008. Notably, both output and new orders experienced substantial growth, reaching the highest levels in nearly three-and-a-half years.

5.2 Industry Overview

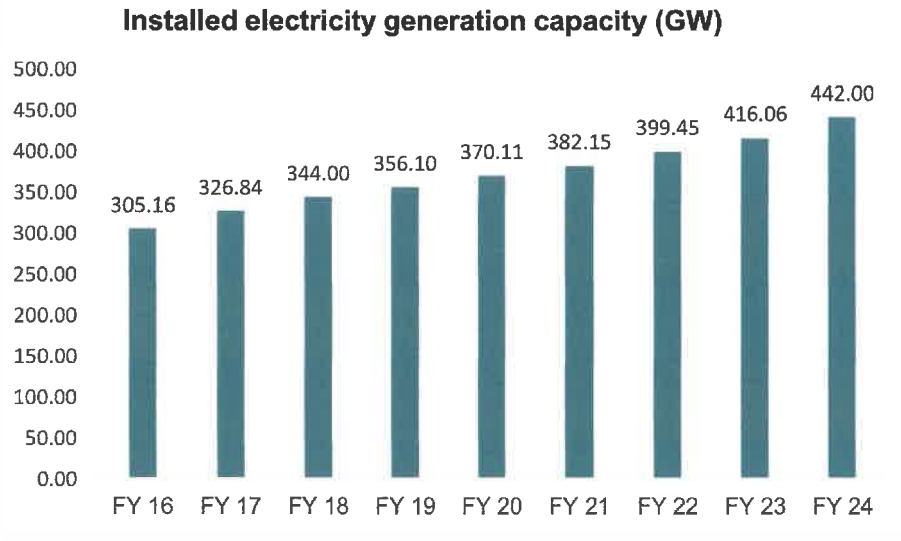

The assets/ or SPVs being subjected to valuation belongs to Power Transmission Sector in India.

India is third largest producer and consumer of electricity in the world. Its power sector is one of the most diversified in the world, which includes power generation from conventional sources (coal, lignite, natural gas, Oil, hydro and nuclear power) and non-conventional sources (wind, solar, and agricultural and domestic waste).

As on March 31st, 2024, the total installed capacity of power stations in India stood at 442 GW.

Source: CEA

Source: CEA

Installed capacity has increased steadily over the years, posting a CAGR of 4.74% between FY2016-FY2024.

The fuel-wise installed generation capacity from fossil fuels like coal, lignite, gas and diesel stood at 243.42 GW, whereas non-fossil fuels like hydro, small hydro, wind, solar, waste-to energy and other renewable energy, including nuclear energy, contributed to 198.75 GW.

The total electricity generation during the year 2023-24 is 1738.10 Billion Units (BU). i.e., a growth of around 7.02 % over total generation of 1624.158 BU for the previous year (2022-23).

The plant load factor (PLF), or capacity utilisation, of India's thermal power plants (TPPs) is expected at 68 per cent in the current financial year and poised to improve to 69% in FY 25 on account of rising demand for electricity from the industrial and commercial sectors.

The extreme weather conditions and increased economic activity witnessed during FY24 have led to the power consumption reaching 1627 BU

As per the updated Nationally Determined Contributions (NDC), India now stands committed to reduce Emissions Intensity of its GDP by 45 percent by 2030, from 2005 level and achieve about 50 percent cumulative electric power installed capacity from non-fossil fuel-based energy resources by 2030.

A growing population coupled with increasing electrification and per-capita electricity usage will drive the demand for electricity, along with increased industrial activity.

As per information available with the Department for Promotion of Industry and Internal Trade (DPIIT), the country has received a total FDI Equity investment amounting to USD 6 Billion in the renewable energy sector, during the last three financial years and the current financial year.

Under the current FDI policy, power sector investments are permitted up to 100% through the automatic route. The Indian government has implemented various initiatives to encourage both domestic and foreign investment in this sector.

The Interim Budget earmarked a corpus of INR 600 Crore under the National Green Hydrogen Mission, doubling the allocation compared to the previous year. This funding will be in addition to the Green Hydrogen Mission and the Strategic Interventions for Green Hydrogen Mission and the Strategic Interventions for Green Hydrogen Transition (SIGHT) Programme which has a major an outlay of INR 17,490 Crore.

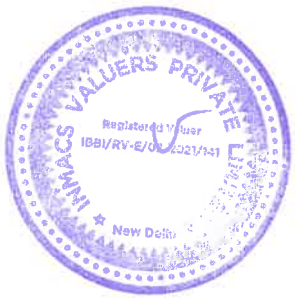

Transmission Sector

Placed critically between the generation and distribution, transmission plays a pivotal role in ensuring energy delivery to the centres of consumption. India's shift to a cleaner economy is bound to create a need for a robust grid to connect the renewable energy rich centres in the West and South to the demand centres in the North and the West. Unlike conventional thermal capacity, which requires 4-6 years for commissioning, renewables require less than 2 years to develop. Consequently, pace of transmission build-out will require expediting to keep pace with the growing renewable mix. In alignment with this, the Central Transmission Utility (CTU) in its ISTS Rolling Plan for 2028-29 has identified transmission schemes comprising of 48,619 km of transmission lines and transformation capacity of 4,56,035 MVA at estimated cost of ₹ 2,94,642 Cr including planned and under-construction ISTS network. Breakup of the addition of assets to be added as per Inter-State Transmission System (ISTS) Rolling Plan for 2028-29 is as per the below schedule.

S. No.	Financial year	ckm addition	MVA addition	Estimated cost (in crore)
1	2023-24	2,025	17,135	5,244
2	2024-25	13,357	1,15,755	43,903
3	2025-26	12,525	1,42,425	69,458
4	2026-27	11,718	1,13,200	67,729
5	2027-28	2,085	28,000	11,097
6	2028-29	6,910	39,520	97,211
Total		48,620	4,56,035	2,94,642

The Transmission sector is poised for sustained growth as is visible from the above mentioned Rolling Plan of CTUIL for 2028-29. Transmission Sector growth is also evidenced from CEA'S Report on Transmission System for Integration of over 500 GW RE Capacity by 2030 released in December 2022. The CEA Report estimates additional 50,890 Ckm and MVA respectively at an estimated cost Of ₹ 2,44,200 crore during the period Nov'22 to 2030. This transmission requirement corresponds to ISTS transmission schemes for (a) 66.5 GW RE capacity (excluding commissioned transmission schemes) which are under various stages of implementation and new RE capacity of about 237 GW.

Further, inter-regional transmission capacity is envisaged to grow from current 1,12,250 MW to about 1,50,000 MW in 2030.

6. About POWERGRID Infrastructure Investment Trust

POWERGRID Infrastructure Investment Trust (hereinafter referred to as 'PGInvIT' or, 'Trust') was settled by Power Grid Corporation of India Limited (hereinafter referred to as 'PGCIL') as an irrevocable trust setup pursuant to the Trust Deed, under the provisions of the Indian Trusts Act, 1882.

The Trust was registered with Securities and Exchange Board of India ("SEBI") on January 7, 2021 as an infrastructure investment trust under Regulation 3(1) of the InvIT Regulations having registration number IN/InvIT/20-21/0016.

The Trust has been setup to own, construct, operate, maintain and invest as an Infrastructure Investment Trust (InvIT) as permissible under SEBI InvIT Regulations, including in power transmission assets in India.

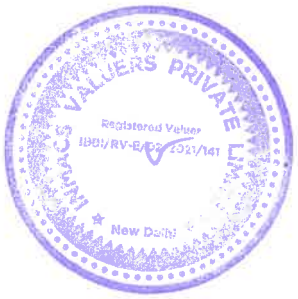

The underlying assets of the Trust presently include five inter-State Transmission System (ISTS) projects (hereinafter referred to as 'Special Purpose Vehicles' or 'SPVs') implemented under the Tariff Based Competitive Bidding (TBCB) mechanism.

Power Grid Corporation of India Limited (PGCIL), a Maharatna CPSE under Ministry of Power, Government of India is the Sponsor of PGInvIT. The Sponsor's equity shares are listed on BSE and NSE.

POWERGRID Unchahar Transmission Limited (hereinafter referred to as 'PUTL'), a wholly owned subsidiary of PGCIL has been appointed as Investment Manager to the Trust. PUTL owns and operates 106.74 ckm transmission project implemented under tariff based competitive bidding mechanism and thus, carries the experience of industry and in-depth insights about the operations of the business of the infrastructure assets which forms the part of the investment portfolio of the Trust.

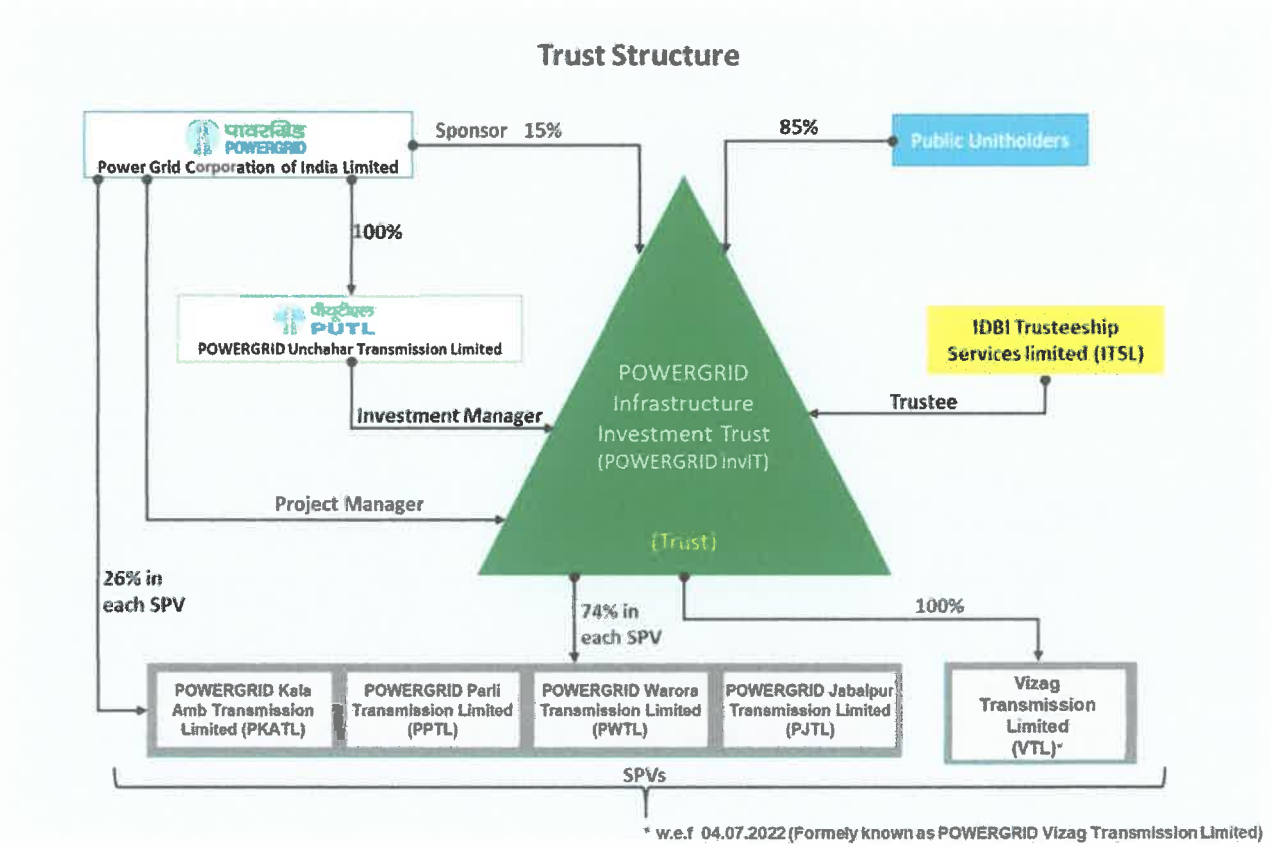

Power Grid Corporation of India Limited (PGCIL) is also appointed as Project Manager in respect of the Trust.

IDBI Trusteeship Services Limited, registered with SEBI under the Securities and Exchange Board of India (Debenture Trustee) Regulations, 1993 has been engaged as Trustee to the Trust.

PGInvIT came out with an initial public offering of its units which opened on April 29th, 2021 and closed on May 3rd, 2021.

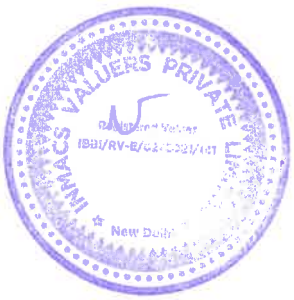

The structure of PGInvIT is as follows:

The unitholding pattern of the Trust is as follows:

	Category of unit holder	No. of units held	% holding
	Sponsor(s)/ Manager and their associates/related parties and Sponsor Group		
	Indian	13,65,00,100	15.00%
	Total unit holding of Sponsor & Sponsor Group	13,65,00,100	15.00%
	Public holding - Institutions		
	Mutual funds	4,16,41,890	4.58%
(b)	Financial institutions or banks	14,20,333	0.16%
(e)	Insurance companies	6,36,55,161	6.99%
(f)	Provident or pension funds	6,73,80,845	7.40%
(g)	Foreign portfolio investors	18,91,65,255	20.79%
(i)	Other institutions Unit Holding	1,30,88,053	1.44%
	Total institutions unit holding	37,63,51,537	41.36%
	Public holding - Non Institutions		
(b)	Individuals	28,14,96,668	30.93%
(c)	NBFCs registered with RBI	4,59,400	0.05%
(d)	Other non-institutions unit holding	11,51,91,495	12.66%
	Total non-Institutions Sub- Total (B) (2)	39,71,47,563	43.64%
	Total	90,99,99,200	100%

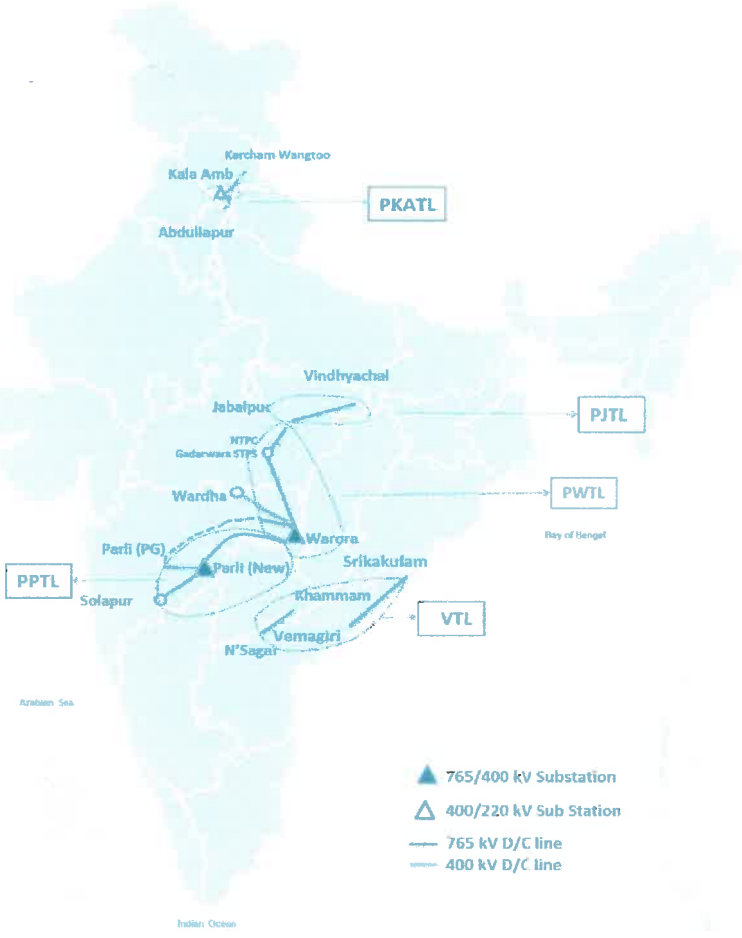

Unit holding pattern reported as on March 31, 2024

The Asset Portfolio

The Portfolio Assets comprise five power transmission projects located across five states of India. The projects comprise 11 transmission lines, including six 765 kV transmission lines and five 400 kV transmission lines, with a total circuit length of approximately 3,698.59 ckm, and three substations with 6,630 MVA of an aggregate transformation capacity and 1,955.66 km of optical ground wire. Each of the Initial Portfolio Assets has in place a long-term TSA of 35 years from the Scheduled COD of the relevant Initial Portfolio Asset. Upon expiry of the term of a TSA, the relevant Initial Portfolio Asset can apply to CERC for renewal if it is not unilaterally extended by CERC.

PGInvIT had acquired 74% of equity shares stake in each of 5 SPVs from PGCIL pursuant to the IPO. The transfer of funds to the Sponsor towards consideration for acquisition of 74% equity holding was completed during May 2021. Subsequently, in March 2022, PGInvIT acquired balance 26% equity shares of one of the SPV, namely VTL, from its sponsor.

Below is the snapshot of Asset Portfolio of PGInvIT :

Description	Vizag Transmission Limited	POWERGRID Kala Amb Transmision Limited	POWERGRID Parli Transmission Limited	POWERGRID Warora Transmission Limited	POWERGRID Jabalpur Transmission Limited
Location	Andhra Pradesh and Telangana	Himachal Pradesh	Maharashtra	Madhya Pradesh and Maharashtra	Madhya Pradesh
No. of lines & substations	2 lines	1 line; 1 S/S	3 lines; 1 S/S	4 lines; 1 S/S	1 line

Source: Management inputs

As per the Share Purchase Agreement dated April 22, 2021 between Power Grid Corporation of India ("the Seller") and POWERGRID Infrastructure Investment Trust acting through its Trustee and Investment Manager ("the Buyer"), the parties agreed for the transfer of the balance 26% of the equity shareholding of the specified SPVs from the seller to the buyer at the expiry of the Lock in period (the end of 5 years from the commercial operation date in terms of the TSA) and at a consideration determined in accordance with the applicable laws and mutually agreed upon by the parties.

7. Valuation Base and Premise

7.1 Valuation Base

IVS 102 defines the Valuation Bases and prescribes the corresponding fundamental assumptions on which Valuation will be based and provide the premises of values.

IVS 102 provides three Valuation Bases which are required to be chosen by the Valuer considering the terms and purpose of the Valuation engagement

I. Fair Value: Price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the Valuation Date.
II. Participant Specific Value: Estimated value of an asset or liability after considering the advantages and disadvantages that may arise to the owner, identified participant or identified acquirer.
III. Liquidation Value: Amount that will be realized on sale of an asset or a group of assets when an actual / hypothetical termination of the business is contemplated / assumed.

Fair Value as per ICAI VS defined as under:

"Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the valuation date. "

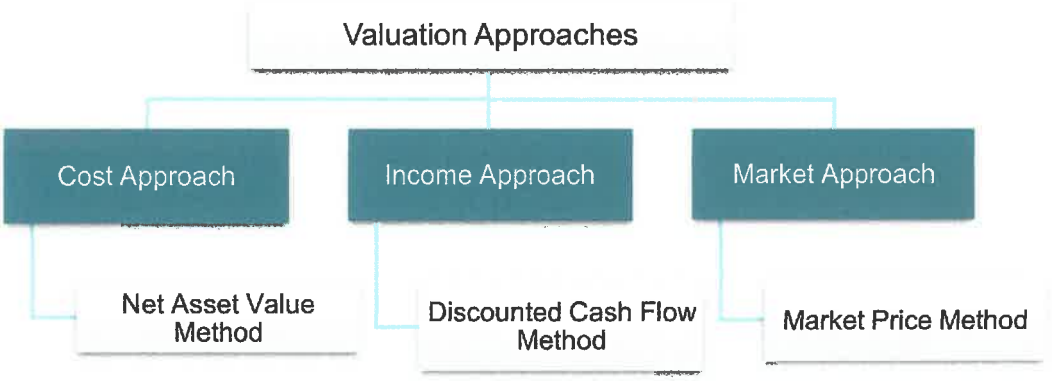

7.2 Premise of Valuation

Premise of Value refers to the conditions and circumstances how an asset is deployed. The going concern value premise is defined as under:

"Going concern value is the value of a business enterprise that is expected to continue to operate in the future. The intangible elements of going concern value result from factors such as having a trained work force, an operational plant, the necessary licenses, systems, and procedures in place, etc".

8. Valuation Approaches

There are various methods adopted for valuing the underlying assets of an entity. Certain methods are based on asset value while certain other methods are based on the earnings potential of the asset. Each method proceeds on different fundamental assumptions which have greater or lesser relevance and at times even no relevance, to a given situation. Thus, the methods to be adopted for a particular valuation exercise must be judiciously chosen. The valuation approaches and methods shall be selected in a manner which will maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

8.1 Cost Approach

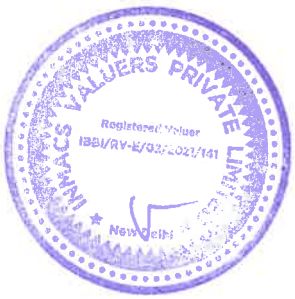

The cost approach reflects the amount that would be required currently to replace the service capacity of an asset. Often, the value of the business/asset is driven in terms of the investment that would be required to replace the assets they have assembled.

8.1.1 Net Asset Value ("NAV") Method

The Net Assets Value Method under cost approach derives the value of the overall business based on the value of the underlying assets and liabilities comprising the business (tangible and intangible assets, whether recorded on the balance sheet or not) on the valuation date.

8.2 Income Approach

Income approach is a valuation approach that converts maintainable or future amounts (e.g., cash flows or income, cost savings and expenses) to a single current (i.e., discounted or capitalised) amount. The fair value measurement is determined on the basis of the value indicated by current market expectations about those future amounts.

8.2.1 Discounted Cash Flow ("DCF") Method

The DCF method values the asset by discounting the cash flows expected to be generated by the asset or a business for the explicit forecast period and also the perpetuity value (or terminal value) in case of assets/business with indefinite life.

The DCF method is one of the most common methods for valuing various assets such as shares, businesses, debt instruments, etc.

This method involves discounting of future cash flows expected to be generated by an asset over its life using an appropriate discount rate to arrive at the present value.

The following are important inputs for the DCF method:

- Cash flows;
- Discount rate; and
- Terminal value

8.3 Market Approach

Market approach is a valuation approach that uses prices and other relevant information generated by market transactions involving identical or comparable (i.e., similar) assets, liabilities or a group of assets and liabilities, such as a business.

The following are some of the instances where a valuer applies the market approach:

a) where the asset to be valued or a comparable or identical asset is traded in the active market;
b) there is a recent, orderly transaction in the asset to be valued; or
c) there are recent comparable orderly transactions in identical or comparable asset(s) and information for the same is available and reliable

8.3.1 Market Price Method

Under Market Price method the traded price observed over a reasonable period while valuing assets which are traded in the active market is considered.

The market price of an asset as quoted in an active market is normally considered as the fair value of said asset where such quotations are arising from the asset being regularly and freely traded in, subject to the element of speculative support that maybe inbuilt in the value of the asset.

As per **ICAI Valuation Standard- 301: Business Valuation:**

Enterprise Value: Enterprise Value is the value attributable to the equity shareholders plus the value of debt and debt like items, minority interest, preference share less the amount of non-operating cash and cash equivalents.

Business Value: Business value is the value of the business attributable to all its shareholders

Equity Value: Equity Value is the value of the business attributable to equity shareholders.

As per International Valuation Standard **IVS 200 Businesses and Business Interests**

Enterprise value: Often described as the total value of the equity in a business plus the value of its debt or debt-related liabilities, minus any cash or cash equivalents available to meet those liabilities.

Total invested capital value: The total amount of money currently invested in a business, regardless of the source, often reflected as the value of total assets less current liabilities and cash.

Operating Value: The total value of the operations of the business, excluding the value of any non-operating assets and liabilities.

Equity value: The value of a business to all of its equity shareholders.

9. Valuation Analysis

9.1 The adopted approaches

After analyzing the above-mentioned approaches and gaining understanding of the Trust structure, we derive that the Specified SPVs are to be valued at enterprise level as a going concern taking into consideration all the future aspects of the business.

These Specified SPVs are not listed on any stock exchange. Thus, active market prices are not available for the equity shares of the company, hence Market Price Method cannot be applied.

Taking into consideration other observable inputs available and the fact that these Specified SPVs are not under liquidation or facing any kind of distress, the cost approach will not provide reliable value.

The Investment Manager has shared the financial projections for the balance tenor of TSA. Therefore, we conclude that employing discounted cash flow method under income approach will be the most suitable method and approach in this case as it serves as an indicator of the prospective return that the business is able to generate in the future. The discounted cash flow method is very effective because it allows values to be determined even when cash flows are fluctuating.

The DCF method uses the future free cash flows of the firm holders discounted by the cost of capital to arrive at the present value. In general, the DCF method is a strong and widely accepted valuation tool, as it concentrates on cash generation potential of a business. This method is based on future potential and is widely accepted.

The valuation premises, basis, approaches and methods for respective Specified SPVs is adopted as below:

Particulars	Vizag Transmission Limited	POWERGRID Kala Amb Transmission Limited	POWERGRID Parli Transmission Limited	POWERGRID Warora Transmission Limited	POWERGRID Jabalpur Transmission Limited
Valuation Base	Fair Value	Fair Value	Fair Value	Fair Value	Fair Value
Valuation Premise	Going Concern	Going Concern	Going Concern	Going Concern	Going Concern
Valuation Approach	Income Approach	Income Approach	Income Approach	Income Approach	Income Approach
Method Adopted	Discounted Cash Flow Method	Discounted Cash Flow Method	Discounted Cash Flow Method	Discounted Cash Flow Method	Discounted Cash Flow Method

9.2 Discounted Cash Flows Method: Critical Inputs

As discussed earlier, the following are important inputs for the DCF method:

- Cash flows;
- Discount rate; and
- Terminal value and growth rate

9.2.1 Future Free Cash Flows:

The future free cash flows are derived considering, inter alia, the changes in the working capital and any capital expenditure. They are an aggregation of free cash flows of company during the explicit forecast period – prepared based on the business plan – and during the post explicit forecast period, estimated using an appropriate method, and are available to Company's shareholders.

Generally, in DCF there are two work-arounds for determining future free cash flows depending upon the valuation requirements, being:

- Free Cash Flow to Firm (FCFF)
- Free Cash Flow to Equity (FCFE)

We have opted Free Cash Flow to Firm (FCFF) for our valuation analysis except for RTM project of PKATL where Free Cash Flow to Equity (FCFE) has been opted for analysis. After determining the Free cash flow at present value we add up surplus assets and reduce the market value of debt as on date of valuation and other non-equity claims to arrive at the value of equity.

FCFF = NOPAT + Non-Cash Charges +/- Net Capital Expenditure +/- Non-Cash Working Capital Changes

9.2.2 Discount rate

The appropriate discount rate for discounting FCFF is Weighted Average Cost of Capital ('WACC'). Same has been applied to calculate values on **March 31st, 2024**.

Computation of WACC

$$WACC = K_d \times (1-t) \times W_d + K_e \times W_e$$

Where
K_d = Estimated pre-tax cost of debt
t = applicable corporate tax rate
W_d = (Debt/(Debt+Equity))
K_e = Cost of Equity
W_e = (Equity/(Debt+Equity))
D = market value of debt
E= market value of equity

9.2.3 Cost of Debt

The cost of debt is the rate at which the company is able to raise debt. A number of methods can be employed to determine a company's cost of debt be it the actual cost at which company has raise the debt or matrix pricing method.

9.2.4 Cost of Equity

Cost of equity has been estimated based on the capital asset pricing model i.e. CAPM. This model calculates the cost of equity of a Company as the sum of the risk-free rate and a Company specific equity risk premium, the later of which represents the risk of company in question as compared to the market risk premium

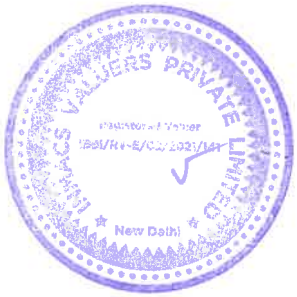

Calculation of Cost of Equity by employing CAPM

$$\text{Cost of Equity} = Rf + \beta\,(Rm - Rf)$$

Where:	
Rf	Risk Free Rate
β /Beta	A measure of observed volatility of the company compared to the market
(Rm-Rf)	It is Equity or Market Risk Premium

Below is the summary of WACC:

Parameter	Abv	VTL	PKATL	PPTL	PWTL	PJTL	Remarks
Cost of Equity	ke	10.14%	10.14%	10.14%	10.14%	10.14%	Capital Asset Pricing Model

Notes:

1. The current cost of debt of Specified SPVs comes to be 14.50% as a result of arrangement made between PGInvIT acting through its investment manager, the company and the Trustee of PGInvIT. As per the Facility agreement entered into between the Company, Investment manager and the Trustee, the Company shall, with prior notice to the Trustee, be entitled to prepay all or any portion of the outstanding principal amounts of the Loan, without any prepayment penalty or premium.

Therefore, in order to arrive at a fair value of the enterprise, we have considered this (6.15%) as post tax cost of debt for the company as reasonable basis in normal course of business without posing any advantage or disadvantage due to any special arrangement within the stakeholders.

9.2.5 Terminal Value

Terminal value represents the present value at the end of explicit forecast period of all subsequent cash flows to the end of the life of the asset or into perpetuity if the asset has an indefinite life.

We understand from the Management that the ownership of the project assets shall remain with Specified SPVs after completion of the term of the TSA and that the project assets will continue to have economic utility beyond the term of the TSA. Considering the aforementioned, terminal Value at the end of the forecast period has been estimated based on the projected annualized revenue and EBITDA margins in the last forecast year and assuming a long-term growth rate of 0% and maintainable capital expenditure equal to the annual depreciation during the forecast period.

10. DCF Valuation Analysis of Specified SPVs

10.1 Vizag Transmission Limited

10.1.1 About the company

Company	Vizag Transmission Limited
CIN	U40300DL2011GO1228136
Erstwhile name	POWERGRID Vizag Transmission Limited
Incorporation Date	November 30,2011
Gross Block as on March 31, 2024	₹ 13,097.79 Millions
TSA date	May 14,2013
Scheduled COD	September 04,2016
Project COD	February 01,2017
Expiry date	35 years from the date of COD
PGInvIT shareholding	100%

Vizag Transmission Limited ('VTL') formerly POWERGRID Vizag Transmission Limited ('PVTL'), was incorporated on 30th November 2011. Vizag Transmission Limited entered into a transmission service agreement dated 14th May 2013 with its Long-Term Transmission Customers ('LTTCs') (the 'VTL TSA"' to strengthen transmission system in the southern region of India for import of power from the eastern region of India, on a Build Operate Own Maintain ('BOOM') basis.

The project was awarded on 31st July 2013, through the TBCB mechanism, for a 35-year period from the Scheduled COD (as extended pursuant to the letter issued by TANGEDCO dated 27th September 2017), i.e., 1st February 2017. VTL was granted a transmission license by the CERC on 8th January 2014.

Subsequently, VTL entered into a TSA dated 21st November 2015 with the CTU, inter-state transmission service customers, inter-state transmission service licensees and non-inter-state transmission service licensees whose assets have been certified as being used for inter-state transmission by the regional power committee ('RPCs'), and a revenue sharing agreement dated 21st November 2015 with the CTU.

VTL operates two transmission lines of 956.84 ckm comprising one 765 kV double circuit line of approximately 668 ckm from Srikakulam (Andhra Pradesh) to Vemagiri (Andhra Pradesh) and one 400 kV double circuit line of 288.84 ckm from Khammam (Telangana) to Nagarjuna Sagar (Andhra Pradesh)

PGInvIT acquired the remaining 26% equity shareholding in VTL on 31st March 2022 and the name was changed from POWERGRID Vizag Transmission Limited ('PVTL') to Vizag Transmission Limited. The Trust now holds 100% equity shareholding in VTL.

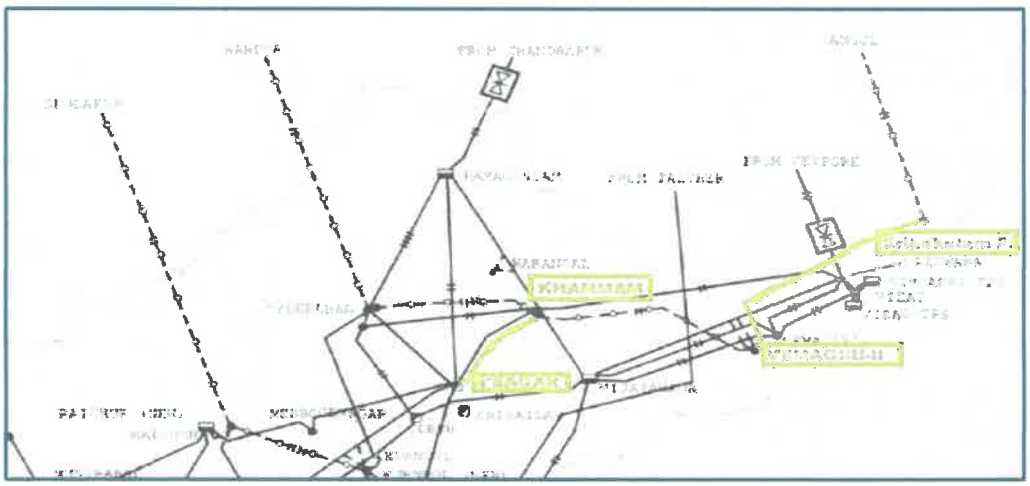

As of March 31st, 2024, the Gross Block of Property, Plant and Equipment (including Intangibles) was ₹ 13,097.79 millions.

All the elements have been successfully charged and Date of Commercial Operations (DOCO) declared as per details below:

Transmission Line/ Substations	Location	Line length/ Capacity	Specifications	COD	Contribution to total transmission charges
Khammam (Existing) – Nagarjuna Sagar	Andhra Pradesh and Telangana	288.84	400 kV D/C	03-Jan-16	15.25%
Srikakulam PP –Vemagiri-II Pooling Station	Andhra Pradesh	668	765 kV D/C	01-Feb-17	84.75%

Historical Average Annual Availability of VTL

Source: Management Input

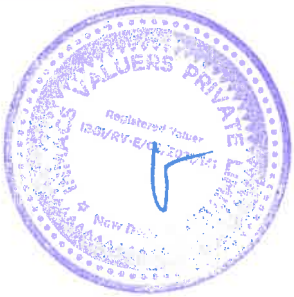

Note: Average availability for FY 2023-24 (Apr-Mar) is on actual basis.

We have been provided with the financial projections of the VTL for balance tenor of the TSA i.e. uptill January 31st, 2052, therefore we have referred the same for our analysis. Estimation of the net cash flows of the company to be in explicit period based on these financial projections.

The projections of VTL are based on the following critical inputs

Inputs	Details
Transmission Revenue	Transmission revenue of VTL is provided in the TSA for the life of the project. It comprises non-escalable transmission revenue and escalable transmission revenue as follows: a. Non-Escalable Transmission Revenue – It has been considered based on long term Transmission Service Agreement of VTL . We have corroborated the non-escalable transmission revenue provided by the Management in the financial projections with the TSA of VTL. b. Escalable Transmission Revenue – It is the revenue component where revenue is escalated each year based on the escalation index which is computed as per the annualized escalation rate notified by the CERC every 6 months. This escalation is done mainly to compensate VTL for inflation. An escalation rate of **5.64%** for the forecast period beginning 1st October 2024 has been considered, which is based on the average of historical rates notified by the CERC for the period 1st October 2019 to September 24th, 2024.

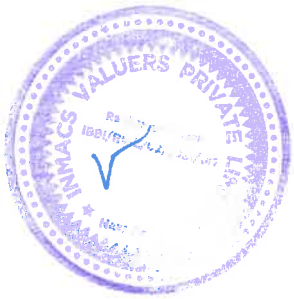

Inputs	Details
Incentive	As per the TSA, if the availability in a contract year exceeds the target availability of 98%, VTL shall be entitled to an annual incentive as follows: Incentive = 0.02 X Annual Transmission Charges X (Actual Annual Availability – Target Availability) No incentive shall be payable above the availability of 99.75%. Management expects the annual availability for VTL at or above 99.75% during the forecast period.
Penalty	If the availability in any contract year falls below 95%, VTL shall be penalised as per the TSA. As represented to us by the Management, the availability in any contract year shall not fall below 95% during the forecast period and thus the penalty has not been considered in the financial projections.
Operations & Maintenance ("O&M") Expenses	O&M expenses for VTL have been estimated by the Management at INR 40.36 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum as per O&M Agreement and Management estimates. We have relied on the projections provided by the Management.
Project Management ("PM") Expenses	Project Management expenses for VTL have been estimated by the Management at INR 6.05 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum as per Project Implementation and Management Agreement. We have relied on the projections provided by the Management.
License fees	Annual License fee has been estimated by the Management for the forecast period at 0.11% of Annual Transmission Charges as provided under the CERC regulations.
Insurance Expenses	Insurance expenses for VTL have been estimated by the Management (based on the invoice obtained from insurer) as INR 58.20 Mn in FY2025. Insurance expenses are expected to be constant throughout the life of the project.
Key Managerial Personnel Expenses	Key Managerial Personnel Expenses for VTL have been estimated by the Management as INR 3.33 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 8.33% per annum.
System and Market Operation Charges	System and Market Operation Charges for VTL have been estimated by the Management as INR 9.00 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 6.50% per annum.

<table>
<tr><th>Inputs</th><th>Details</th></tr>
<tr><td>Audit Expenses</td><td>Audit Expenses for VTL have been estimated by the Management as INR 0.30 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 5 % per annum.</td></tr>
<tr><td>Other Administrative Expenses and OtherExpenses</td><td>Other Administrative Expenses and Other Expenses for VTL have been estimated by the Management as INR 1.29 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 5 % per annum.</td></tr>
<tr><td>Breakdown Contingencies</td><td>The Management has estimated that an amount of INR 0.50 Mn per annum shall be spent with respect to breakdown contingencies for VTL during the forecast period.</td></tr>
<tr><td>CSR Expense</td><td>As per the provisions of Section 135 of the Companies Act 2013, a CSR Expense of 2% of the average profits for the past 3 years for VTL has been considered.</td></tr>
<tr><td>Depreciation</td><td>Depreciation is being calculated using the Straight Line Method over the life of the project considering a salvage value of 5% as per the Companies Act, 2013. For calculating depreciation as per the Income Tax Act for the projected period, depreciation rate as specified in the Income Tax Act and WDV as per Income Tax Return filed by VTL has been considered. VTL is expected to incur certain maintenance capital expenditure during the forecast period. The effect of the same has been considered while computing both book and income tax depreciation.</td></tr>
<tr><td>Tax Rates</td><td>VTL shall pay taxes as follows over the forecast period:<table><tr><th>Regime</th><th>Period</th><th>Marginal Corporate Income Tax Rate</th></tr><tr><td>Old Regime</td><td>Till 2044</td><td>29.12%</td></tr><tr><td>New Regime</td><td>FY 2045 onwards</td><td>25.17%</td></tr></table></td></tr>
<tr><td>Tax Incentive</td><td>VTL is eligible for tax holiday under section 80IA of Income Tax Act. Such tax holiday shall be available for any 10 consecutive years out of 15 years beginning from the date of COD. For VTL, the tax holiday benefit proposed to be claimed as follows:<table><tr><th>Component</th><th>Tax Holiday period</th></tr><tr><td>Khammam (Existing) – Nagarjuna Sagar</td><td>FY2020-21 to FY2029-30</td></tr><tr><td>Srikakulam PP – Vemagiri-II Pooling Station</td><td>FY2021-22 to FY2030-31</td></tr></table></td></tr>
</table>

Inputs	Details
Working Capital	The Management have envisaged the working capital requirement of VTL for the forecast period. The major operating working capital assumptions are as follows: a. Trade Receivables days – 45 days b. Unbilled Revenue days – 31 days
Debt	The borrowings as of 31st March 2024 of VTL is from PGInvIT at an interest rate of 14.5% p.a.
Capital Expenditure	The Management has provided us estimated capital expenditure to be incurred over the forecast period for VTL. We have relied on the projections provided by the Management.
Contingent Liabilities	The Management represented that, as per the Share Purchase Agreement executed between POWERGRID, IDBI Trusteeship Services Limited (in its capacity as Trustee to PGInvIT), PUTL (in its capacity as Investment Manager to PGInvIT) and Specified SPVs, POWERGRID has undertaken to indemnify, defend and hold harmless the Trust and the Investment Manager from and against losses which relate to or arise from inter-alia any pending or threatened claims against the Specified SPVs from the period prior to and including the First Closing Date i.e. 13th May 2021. And no major contingent liabilities have arisen for the period after 13th May 2021. Since no major contingent liability has to be borne by VTL, there is no impact of contingent liability on the valuation.

Sensitivity Analysis

Sensitivity analysis is an analysis technique that works on the basis of what-if analysis like how independent variables can affect the dependent variable. As discussed above, DCF valuation involves use of critical inputs to determine equity value, these critical inputs are independent variables and resultant equity value is dependent variable.

The table below is a what-if analysis table, wherein the impact on equity value and enterprise value has been produced considering critical input being discount rates vary by 50 basis points in either direction.

(in ₹ millions)

Sensitivity		Equity Value	Enterprise Value
Discount rates	-	11,069.05	18,730.60
	8%	12,646.93	20,308.48
	8.50%	11,614.16	19,275.71
	8.79%	11,069.05	18,730.60
	9%	10,685.46	18,347.01
	9.50%	9,845.47	17,507.02
	9.75%	9,454.77	17,116.32

10.1.3 Additional Disclosures

The Schedule V of the SEBI InvIT Regulations prescribes the minimum set of mandatory disclosures to be made in the valuation report.

Below is the additional information as required by the regulations

Parameter	Details
List of one-time sanctions/approvals which are obtained or pending:	The list is enclosed in Annexure – 1 to the report.
List of up to date/ overdue periodic clearances:	We have included the details in Annexure – 1 to the report.
Statement of assets included:	The details of assets of VTL as of March 31st, 2024 are provided in Annexure – 6.

<table>
<tr><th>Parameter</th><th>Details</th></tr>
<tr><td>Estimates of already carried out as well as proposed major repairs and improvements along with estimated time of completion:</td><td>We understand from the Management that no major repairs and improvements of the assets have been performed till date. Also, VTL does not plan to perform any major repairs and improvements during the life of the project except CAPEX requirement captured above in the analysis.
However, VTL incurs regular annual maintenance charges of Transmission Lines. The projected operation and maintenance charges for the life the project along with the projected inflation rate is as follows:
<table><tr><th>Expenses</th><th>O&M Expenses</th></tr><tr><td>FY 2025</td><td>40.36</td></tr><tr><td>FY 2026</td><td>41.78</td></tr><tr><td>FY 2027</td><td>43.24</td></tr><tr><td>Annual inflation rate FY25 to FY52</td><td>3.51%</td></tr></table>Source: Management input

Acquisitions were made from Power Grid Corporation of India Limited (Sponsor) and the transactions were related party transaction.

10.2 POWERGRID Kala Amb Transmission Limited

10.2.1 About the Company

Company	POWERGRID Kala Amb Transmission Limited
CIN	U40106DL2013GOI256048
Erstwhile name	NRSS XXXI (A) Transmission Limited
Incorporation Date	July 29,2013
Gross Block as on March 31, 2024	₹ 3,635.65 Millions
TSA date	January 02,2014
Scheduled COD	July 12,2017
Project COD	July 12,2017
Expiry date	35 years from the date of COD
PGCIL shareholding	26%
PGInvIT shareholding	74%

POWERGRID Kala Amb Transmission Limited (PKATL) was incorporated on 29th July 2013. NRSS XXXI (A) Transmission Limited (erstwhile name of PKATL) entered into a transmission service agreement dated 2nd January 2014 with its LTTCs (the "PKATL TSA") for transmission of electricity for transmission system for Northern Region System Strengthening Scheme NRSSXXXI (Part A) on a BOOM basis.

The project was awarded on 26th February 2014, through the tariff-based competitive bidding ('TBCB') mechanism, for a 35-year period from the Scheduled COD, i.e., 12th July 2017. PKATL was granted transmission license by the CERC on 4th September 2014.

Subsequently, PKATL entered into a TSA dated 18th October 2016 with the CTU, inter-state transmission service customers, inter-state transmission service licensees and non-inter-state transmission service licensees whose assets have been certified as being used for inter-state transmission by the RPCs, and a revenue sharing agreement dated 18th October 2016 with the CTU.

PKATL operates one transmission line of 2.47 ckm comprising LILO of Karcham Wangtoo – Abdullapur transmission line at Kala Amb substation (on M/C towers). In addition, the project includes one 400/220 kV substation of an aggregate capacity of 630 MVA in Kala Amb (Himachal Pradesh), and 40% series compensation on 400 kV D/C line from Karcham Wangtoo (Himachal Pradesh) to Kala Amb (Himachal Pradesh).

As per CERC order dated 22nd March 2022, PKATL was granted a separate transmission licence for implementation of 125 MVAR, 420 kV Bus Reactor at Kala Amb on the Regulated Tariff Mechanism (RTM) route. The transmission licence will remain in force for a period of 25 years from the date of issue. The project has been put to commercial operation w.e.f. 05th February 2024.

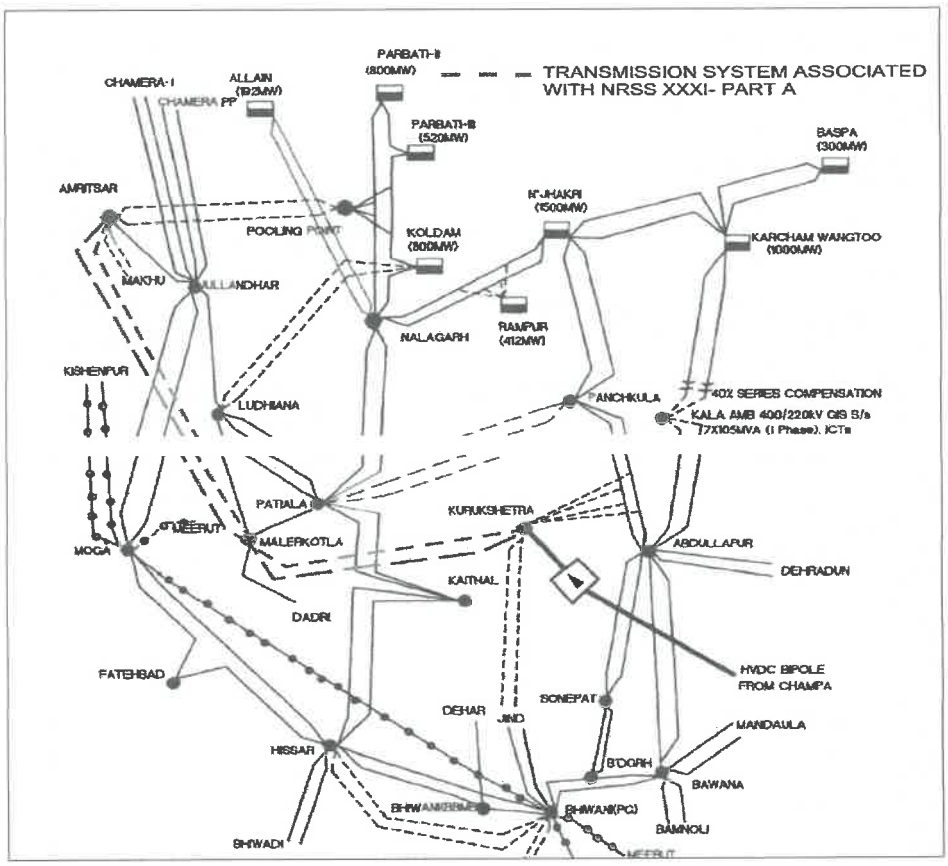

As on March 31st, 2024, the gross block of property plant and equipment including intangibles stood at ₹ 3,635.65 Millions.

All the elements have been successfully charged and Date of Commercial Operations (DOCO) declared as per details below:

Transmission Line/ Substations	Location	Line length/ Capacity	Specifications	COD	Contribution to total transmission charges
LILO of both circuits of Karcham Wangtoo – Abdullapur transmission line at Kala Amb substation (on M/C towers)	Himachal Pradesh	2.47 ckm	400 kV D/C	12-Jul-17	84.50%
400/220 kV GIS substation at Kala Amb	Himachal Pradesh	630 MVA	400 kV / 220 kV GIS sub-station	12-Jul-17	
40% Series compensation on 400 kV Karcham Wangtoo – Kala Amb (Quad) D/C line at Kala Amb ends	Himachal Pradesh	-	40% series compensation	12-Jul-17	15.50%
125 MVAR, 420 kV Bus Reactor at Kala Amb (RTM)	Himachal Pradesh		125 MVAR, 420 kV Bus Reactor	05-Feb-24	

Source: Management inputs

GRID Map of POWERGRID Kala Amb Transmission Limited is as follows:

Historical Average Annual Availability of PKATL

Source: Management Input

Note: Average availability for FY 2023-24 (Apr-March) is on provisional basis

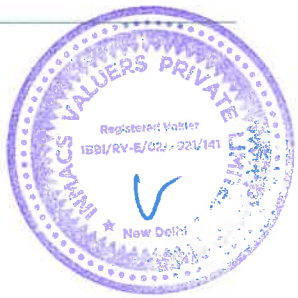

We have been provided with the financial projections of the TBCB assets of PKATL for balance tenor of the TSA i.e. up till July 11th, 2052 and of the RTM assets of PKATL till 31st March 2059 and, therefore we have referred the same for our analysis. Estimation of the net cash flows of the company to be in explicit period based on these financial projections.

The projections of PKATL are based on the following critical inputs

Inputs	Details
Transmission Revenue	Transmission revenue of PKATL is provided in the TSA for the life of the project. It comprises of only non escalable transmission revenue as follows: a. Non-Escalable Transmission Revenue – It has been considered based on long term Transmission Service Agreement of PKATL . We have corroborated the non-escalable transmission revenue provided by the Management in the financial projections with the TSA of PKATL.
Incentive	As per the TSA, if the availability in a contract year exceeds the target availability of 98%, PKATL shall be entitled to an annual incentive as follows: Incentive = 0.02 X Annual Transmission Charges X (Actual Annual Availability – Target Availability) No incentive shall be payable above the availability of 99.75%. Management expects the annual availability for PKATL at or above 99.75% during the forecast period.

Inputs	Details
Penalty	If the availability in any contract year falls below 95%, PKATL shall be penalised as per the TSA. As represented to us by the Management, the availability in any contract year shall not fall below 95% during the forecast period and thus the penalty has not been considered in the financial projections.
Operations & Maintenance ("O&M") Expenses	O&M expenses for PKATL have been estimated by the Management as INR 50.93 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum as per O&M Agreement and Management estimates. We have relied on the projections provided by the Management.
Project Management ("PM") Expenses	Project Management expenses for PKATL have been estimated by the Management as INR 7.64 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum as per Project Implementation and Management Agreement. We have relied on the projections provided by the Management.
License fees	Annual License fee has been estimated by the Management for the forecast period at 0.11% of Annual Transmission Charges as provided under the CERC regulations.
Power Charges	Power charges for PKATL have been estimated by the Management at INR 1. 25 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum.
Security Expenses	Security expenses for PKATL have been estimated by the Management at INR 6.15 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 6.50% per annum.
Insurance Expenses	Insurance expenses for PKATL have been estimated by the Management (based on the invoice obtained from insurer) as INR 7.70 Mn in FY2025. Insurance expenses are expected to be constant throughout the life of the project.
Key Managerial Personnel Expenses	Key Managerial Personnel Expenses for PKATL have been estimated by the Management as INR 3.63 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 8.33% per annum.
System and Market Operation Charges	System and Market Operation Charges for PKATL have been estimated by the Management as INR 0.02 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 6.50% per annum.
Audit Expenses	Audit Expenses for PKATL have been estimated by the Management as INR 0.30 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 5% per annum.
Other Administrative Expenses and Other Expenses	Other Administrative Expenses and Other Expenses for PKATL have been estimated by the Management as INR 1.29 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 5% per annum.
Breakdown Contingencies	The Management has estimated that an amount of INR 0.50 Mn per annum shall be spent with respect to breakdown contingencies for PKATL during the forecast period.
CSR Expense	As per the provisions of Section 135 of the Companies Act 2013, a CSR Expense of 2% of the average profits for the past 3 years for PKATL has been considered.

Inputs	Details
Depreciation	Depreciation is being calculated for TBCB assets using Straight Line Method over the life of the project considering a salvage value of 5% as per the Companies Act, 2013. For calculating depreciation as per Income Tax Act for the projected period, depreciation rate as specified in the Income Tax Act and WDV as per Income Tax Return filed by PKATL have been considered. PKATL is expected to incur certain maintenance capital expenditure during the forecast period. The effect of the same has been considered while computing both book and income tax depreciation.
Tax Incentive	PKATL shall pay taxes under the new regime at the rate of 25.17% throughout the forecast period. The effective tax rate throughout the forecast period shall be 25.17%
Working Capital	The Management have envisaged the working capital requirement of PKATL for the forecast period. The major operating working capital assumptions are as follows: a. Trade Receivables days – 45 days b. Unbilled Revenue days – 31 days
Debt	The borrowings as of March 31st, 2024 of PKATL is from PGInvIT at an interest rate of 14.5% p.a.
Capital Expenditure	The Management has provided us estimated capital expenditure to be incurred over the forecast period for PKATL. We have relied on the projections provided by the Management.
Contingent Liabilities	The Management represented that, as per the Share Purchase Agreement executed between POWERGRID, IDBI Trusteeship Services Limited (in its capacity as Trustee to PGInvIT), PUTL (in its capacity as Investment Manager to PGInvIT) and Specified SPVs, POWERGRID has undertaken to indemnify, defend and hold harmless the Trust and the Investment Manager from and against losses which relate to or arise from inter-alia any pending or threatened claims against the Specified SPVs from the period prior to and including the First Closing Date i.e. 13th May 2021 and no major contingent liabilities have arisen for the period after 13th May 2021. Since no major contingent liability has to be borne by PKATL, there is no impact of contingent liability on the valuation.

RTM Project

As per CERC order dated 22nd March 2022, PKATL was granted a separate transmission licence for implementation of 125 MVAR, 420 kV Bus Reactor at Kala Amb on the Regulated Tariff Mechanism (RTM) route. The project has been put to commercial operation w.e.f. 05th February 2024. CERC (Terms and Conditions of Tariff) Regulations, 2024, provides post tax return on equity at 15.5% and accordingly valuation of RTM project has done by discounting Free Cash Flows to Equity for our valuation analysis. Debt outstanding for RTM project has been added to arrive at FCFF for RTM project.

Sensitivity Analysis

Sensitivity analysis is an analysis technique that works on the basis of what-if analysis like how independent variables can affect the dependent variable. As discussed above, DCF valuation involves use of critical inputs to determine equity value, these critical inputs are independent variables and resultant equity value is dependent variable.

The table below is a what-if analysis table, wherein the impact on equity value and enterprise value has been produced considering critical input being discount rates vary by 50 basis points in either direction.

(in ₹ millions)

Sensitivity		Equity Value	Enterprise Value
Discount rates	-	2,094.40	3,938.61
	8%	2,359.21	4,203.42
	8.50%	2,186.53	4,030.74
	8.79%	2,094.40	3,938.61
	9%	2,029.17	3,873.38
	9.50%	1,885.10	3,729.31
	9.75%	1,817.52	3,661.73

10.2.3 Additional Disclosures

The Schedule V of the SEBI InvIT Regulations prescribes the minimum set of mandatory disclosures to be made in the valuation report.

Below is the additional information as required by the regulations

Parameter	Details
List of one-time sanctions/approvals which are obtained or pending:	The list is enclosed in Annexure – 2 to the report.
List of up to date/ overdue periodic clearances:	We have included the details in Annexure – 2 to the report.
Statement of assets included:	The details of assets of PKATL as of March 31st, 2024 are provided in Annexure – 7.

<table>
<tr><th>Parameter</th><th>Details</th></tr>
<tr><td>Estimates of already carried out as well as proposed major repairs and improvements along with estimated time of completion:</td><td>We understand from the Management that no major repairs and improvements of the assets have been performed till date. Also, PKATL does not plan to perform any major repairs and improvements during the life of the project except CAPEX requirement captured above in the analysis.
However, PKATL incurs regular annual maintenance charges of Transmission Lines. The projected operation and maintenance charges for the life the project along with the projected inflation rate is as follows:
<table><tr><th>Expenses</th><th>O&M Expenses</th></tr><tr><td>FY 2025</td><td>50.93</td></tr><tr><td>FY 2026</td><td>52.72</td></tr><tr><td>FY 2027</td><td>54.57</td></tr><tr><td>Annual inflation rate FY25 to FY52</td><td>3.51%</td></tr></table>Source: Management input
Expenses in ₹ millions</td></tr>

10.3 POWERGRID Parli Transmission Limited

10.3.1 About the company

Company	POWERGRID Parli Transmission Limited
CIN	U40109DL2014GOI269652
Incorporation Date	July 30,2014
Gross Block as on March 31, 2024	₹ 19,290.90 Millions
TSA date	February 09,2015
Scheduled COD	January 31,2018
Project COD	June 04, 2018
Expiry date	35 years from the date of COD
PGCIL shareholding	26%
PGInvIT shareholding	74%

POWERGRID Parli Transmission Limited (PPTL) was incorporated on 30th July 2014. Gadarwara (B) Transmission Limited (erstwhile name of PPTL) entered into a transmission service agreement dated 9th February 2015 with its LTTCs (the "PPTL TSA") for the transmission system associated with Gadarwara STPS (2x800 MW) of NTPC (Part-B) on a BOOM basis.

The project was awarded on 11th March 2015, through the TBCB mechanism, for a 35 years' period from the Scheduled COD (as extended pursuant to a supplementary transmission services agreement dated 18th June 2019), i.e., 4th June 2018. PPTL was granted transmission license by CERC on 10th July 2015.

Subsequently, PPTL entered into a TSA dated 5th July 2016 with the CTU, inter-state transmission service customers, inter-state transmission service licensees and non-inter-state transmission service licensees whose assets have been certified as being used for inter-state transmission by the RPCs, and a revenue sharing agreement dated 5th July 2016 with the CTU. PPTL operates three transmission lines of 966.12 ckm comprising one 765 kV double circuit line of 693.70 ckm from Warora (Maharashtra) to Parli (Maharashtra), one 765 kV double circuit line of 235.92 ckm from Parli (Maharashtra) to Solapur (Maharashtra), and one 400 kV double circuit line of 36.50 ckm from Parli (New) (Maharashtra) to Parli (PG) (Maharashtra). In addition, the project includes one 765/400 kV substation of an aggregate capacity of 3,000 MVA in Parli (Maharashtra).Central Transmission Utility of India Limited (CTUIL) has nominated PPTL for implementation of "400 kV line bay at 765/400 kV Parli (New) S/S for RE inter-connection" under RTM with a completion target of December 31, 2025.

As of March 31st, 2024, the Gross Block of Property, Plant and Equipment (including Intangibles) was ₹ 19,290.90 Millions.

All the elements have been successfully charged and Date of Commercial Operation (DOCO) declared as per details below:

Transmission Line/ Substations	Location	Line length/ Capacity	Specifications	COD	Contribution to total transmission charges
Parli (New) – Solapur	Maharashtra	235.92 ckm	765 kV D/C	27-Apr-18	
Parli (New) – Parli (PG)	Maharashtra	36.50 ckm	400 kV D/C	27-Apr-18	43.00%
Establishment of 2x1500 MVA, Parli (New) S/S	Maharashtra	3000 MVA	765/400 Kv substation	27-Apr-18	
Warora (Pooling Station) – Parli (New)	Maharashtra	693.70 ckm	765 kV D/C	04-Jun-18	57.00%

GRID Map of POWERGRID Parli Transmission Limited.

Historical Average Annual Availability of PPTL

Source: Management Input

Note: Average availability for FY 2023-24 (Apr-March) is on provisional basis

We have been provided with the financial projections of the PPTL for balance tenor of the TSA i.e. uptill June 03rd, 2053, therefore we have referred the same for our analysis. Estimation of the net cash flows of the company to be in explicit period based on these financial projections.

The projections of PPTL are based on the following critical inputs:

Inputs	Details
Transmission Revenue	Transmission revenue of PPTL is provided in the TSA for the life of the project. It comprises non-escalable transmission revenue and escalable transmission revenue as follows:: a. Non-Escalable Transmission Revenue – It has been considered based on long term Transmission Service Agreement of PPTL . We have corroborated the non-escalable transmission revenue provided by the Management in the financial projections with the TSA of PPTL. b. Incremental Revenue – In case of PPTL, POWERGRID filed a petition with regard to an increased project cost due to the Change in Law claiming incremental transmission charges as per the TSA and relevant CERC regulations. In this regard, CERC in its order dated 29th January 2021 awarded a total claim for increase in transmission charges owing to the change in law. As per the CERC order, incremental revenue is computed basis Article 12.2 of the TSA agreement, which states, for every cumulative increase/decrease of each INR 73.9 Mn in the project cost up to the scheduled COD of the Project, the increase/decrease in Non-Escalable Transmission Charges shall be an amount equal to Zero Point Three One Three percent (0.313%) of the Non-Escalable Transmission Charges. As per the Share Purchase Agreement executed between POWERGRID, IDBI Trusteeship Services Limited (in its capacity as Trustee to PGInvIT), PUTL (in its capacity as Investment Manager to PGInvIT) and PPTL for the transfer of shares to the Trust, the incremental transmission tariff expected to be received by PPTL in future owing to the change in law was supposed to be passed on to the Sponsor (POWERGRID). However, PPTL in March 2022 has purchased the Right of Additional Revenue from POWERGRID at INR 810.1 Mn which was a related party transaction. In compliance with the CERC order dated 29th January 2021 the total claim for billing owing to the compensation awarded by CERC is hereunder: Based on the CERC order and Article 12.2.1 of TSA, an increase in Annual transmission charges is 2.79% The Charge computed above is applied on the projected Non-Escalable Transmission charges to arrive at the incremental revenue for the respective forecast financial year.

Description	Claim as per petition of PPTL (INR Mn)	Claim allowed as per CERC order (INR Mn)
Increase in acquisition Price by Bid Process Coordinator (BPC)	5.5	3.9
Increase in cost owing to introduction of GST	232.4	220.2
Land Compensation	477.5	433.9
Total	715.4	658
Change in Annual transmission charges as per Article 12.2.1 of the TSA		2.79% (658.0*0.313%/73.9)

Source: Management Inputs

Inputs	Details
Incentive	As per the TSA, if the availability in a contract year exceeds the target availability of 98%, PPTL shall be entitled to an annual incentive as follows: Incentive = 0.02 X Annual Transmission Charges X (Actual Annual Availability – Target Availability) No incentive shall be payable above the availability of 99.75%. Management expects the annual availability for PPTL at or above 99.75% during the forecast period.
Penalty	If the availability in any contract year falls below 95%, PPTL shall be penalised as per the TSA. As represented to us by the Management, the availability in any contract year shall not fall below 95% during the forecast period and thus the penalty has not been considered in the financial projections.
Operations & Maintenance ("O&M") Expenses	O&M expenses for PPTL have been estimated by the Management as INR 98.61 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum as per O&M Agreement and Management estimates. We have relied on the projections provided by the Management.
Project Management ("PM") Expenses	Project Management expenses for PPTL have been estimated by the Management as INR 14.79 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum as per Project Implementation and Management Agreement. We have relied on the projections provided by the Management.
License fees	Annual License fee has been estimated by the Management for the forecast period at 0.11% of Annual Transmission Charges as provided under the CERC regulations.
Power charges	Power charges for PPTL have been estimated by the Management at INR 6.49 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum.
Security charges	Security expenses for PPTL have been estimated by the Management at INR 6.38 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 6.50% per annum.
Insurance Expenses	Insurance expenses for PPTL have been estimated by the Management (based on the invoice obtained from insurer) as INR 61.74 Mn in FY2025. These expenses shall be constant throughout the life of the project.
Key Managerial Personnel Expenses	Key Managerial Personnel Expenses for PPTL have been estimated by the Management as INR 3.33 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 8.33% per annum.

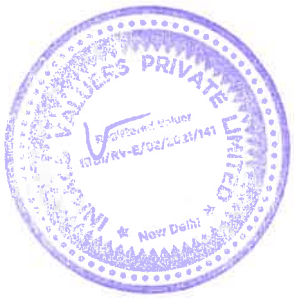

Inputs	Details
System and Market Operation Charges	System and Market Operation Charges for PPTL have been estimated by the Management as INR 6.19 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 6.50% per annum.
Audit Expenses	Audit Expenses for PPTL have been estimated by the Management as INR 0.30 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 5% per annum.
Other Administrative Expenses and Other Expenses	Other Administrative Expenses and Other Expenses for PPTL have been estimated by the Management as INR 1.29 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 5% per annum.
Breakdown Contingencies	The Management has estimated that an amount of INR 0.50 Mn per annum shall be spent with respect to breakdown contingencies for PPTL during the forecast period.
CSR Expense	As per the provisions of Section 135 of the Companies Act 2013, a CSR Expense of 2% of the average profits for the past 3 years for PPTL has been considered.
Depreciation	Depreciation is being calculated using Straight Line Method over the life of the project considering a salvage value of 5% as per the Companies Act, 2013. For calculating depreciation as per Income Tax Act for the projected period, depreciation rate as specified in the Income Tax Act and WDV as per Income Tax Return filed by PPTL have been considered. PPTL is expected to incur certain maintenance capital expenditure during the forecast period. The effect of the same has been considered while computing both book and income tax depreciation. In March 2022, PPTL has purchased the Right of additional revenue from POWERGRID at INR 810.1 Mn as discussed above. The purchase consideration has been recognised as an Intangible asset (Right of Additional Revenue) in the financial statements of PPTL. We understand from the Management that the amortization of the above intangible asset (Right of additional revenue) will be tax deductible under the Income Tax Act, 1961 and, accordingly, we have considered the tax amortisation of the above intangible asset in the valuation.
Tax Rate	PPTL shall pay taxes under the new regime at the rate of 25.17% throughout the forecast period. The effective tax rate throughout the forecast period shall be 25.17%
Working Capital	The Management have envisaged the working capital requirement of PPTL for the forecast period. The major operating working capital assumptions are as follows: a. Trade Receivables days – 45 days b. Unbilled Revenue days – 31 days
Debt	The borrowings as on March 31st, 2024 of PPTL is from PGInvIT at an interest rate of 14.5% p.a.
Capital Expenditure	The Management has provided us estimated capital expenditure to be incurred over the forecast period for PPTL. We have relied on the projections provided by the Management.

Contingent Liabilities	The Management represented that, as per the Share Purchase Agreement executed between POWERGRID, IDBI Trusteeship Services Limited (in its capacity as Trustee to PGInvIT), PUTL (in its capacity as Investment Manager to PGInvIT) and Specified SPVs, POWERGRID has undertaken to indemnify, defend and hold harmless the Trust and the Investment Manager from and against losses which relate to or arise from inter-alia any pending or threatened claims against the Specified SPVs from the period prior to and including the First Closing Date i.e. 13th May 2021 and no major contingent liabilities have arisen for the period after 13th May 2021. Since no major contingent liability has to be borne by PPTL, there is no impact of contingent liability on the valuation.

Sensitivity Analysis

Sensitivity analysis is an analysis technique that works on the basis of what-if analysis like how independent variables can affect the dependent variable. As discussed above, DCF valuation involves use of critical inputs to determine equity value, these critical inputs are independent variables and resultant equity value is dependent variable.

The table below is a what-if analysis table, wherein the impact on equity value and enterprise value has been produced considering critical input being discount rates vary by 50 basis points in either direction.

(in ₹ millions)

Sensitivity		Equity Value	Enterprise Value
Discount rates		9,917.63	21,427.17
	8%	11,464.90	22,974.44
	8.50%	10,454.10	21,963.64
	8.79%	9,917.63	21,427.17
	9%	9,538.88	21,048.42
	9.50%	8,705.81	20,215.35
	9.75%	8,316.58	19,826.12

10.3.3 Additional Disclosures

The Schedule V of the SEBI InvIT Regulations prescribes the minimum set of mandatory disclosures to be made in the valuation report.

Below is the additional information as required by the regulations

Parameter	Details
List of one-time sanctions/approvals which are obtained or pending:	The list is enclosed in Annexure – 3 to the report.
List of up to date/ overdue periodic clearances:	We have included the details in Annexure – 3 to the report.
Statement of assets included:	The details of assets of PPTL as of March 31st, 2024 are provided in Annexure – 8.
Estimates of already carried out as well as proposed major repairs and improvements along with estimated time of completion:	We understand from the Management that no major repairs and improvements of the assets have been performed till date. Also, PPTL does not plan to perform any major repairs and improvements during the life of the project except CAPEX requirement captured above in the analysis. However, PPTL incurs regular annual maintenance charges of Transmission Lines. The projected operation and maintenance charges for the life the project along with the projected inflation rate is as follows:

Expenses	O&M Expenses
FY 2025	98.61
FY 2026	102.07
FY 2027	105.65
Annual inflation rate FY25 to FY54	3.51%

Expenses in ₹ millions

Parameter	Details
Revenue pendencies including local authority taxes associated with InvIT asset and compounding charges if any.	The Management has informed that there are no dues including local authority taxes pending to be payable to the Government authorities except as disclosed in the audited financial statements.
On-going material litigations including tax disputes in relation to the assets, if any;	The list of on-going material litigations including tax disputes in relation to PPTL are provided in Annexure – 13.
Vulnerability to natural or induced hazards that may not have been covered in town planning building control.	Management has confirmed that there are no such natural or induced hazards which have not been considered in town planning/ building control.
Latest Pictures of the project along with date of physical inspection	Please refer Annexure – 18.
Valuation of the project in the previous 3 years	Equity Value for PPTL (100%) as on - • September 30th, 2023: ₹9,589.06 million (Report dated October 28th, 2023 by Inmacs Valuers Private Limited) • March 31st, 2023: ₹9,238.46 million (Report dated May 17th, 2023 by Inmacs Valuers Private Limited) • September 30th, 2022: ₹9,372.53 million (Report dated October 28th, 2022 by Inmacs Valuers Private Limited) • March 31st,2022: ₹ 12,715.1million (Report dated May 17th, 2022 by RBSA Valuation Advisors LLP) • September 30th, 2021: ₹12,944.80 million (Report dated October 28th, 2021 by RBSA Valuation Advisors LLP)
Purchase price of the project by the InvIT	INR 9,919.16 million (Acquired during IPO) Acquisition was made from Power Grid Corporation of India Limited (Sponsor) and the transaction was related party transaction.

10.4 POWERGRID Warora Transmission Limited

10.4.1 About the company

Company	POWERGRID Warora Transmission Limited
CIN	U40300DL2014GOI269918
Incorporation Date	August 05,2014
Gross Block as on March 31, 2024	₹ 23,483.19 Million
TSA date	February 09,2015
Scheduled COD	November 2017
Project COD	July 10,2018
Expiry date	35 years from the date of COD
PGCIL shareholding	26%
PGInvIT shareholding	74%

The project was awarded on 11th March 2015, through the TBCB mechanism, for a 35 years' period from the Scheduled COD (as extended pursuant to a supplementary transmission services agreement dated 11th September 2019), i.e., 10th July 2018. PWTL was granted transmission license by CERC on 5th August 2015.

Subsequently, PWTL entered into a TSA dated 27th October 2016 with the CTU, inter-state transmission service customers, inter-state transmission service licensees and non-inter-state transmission service licensees whose assets have been certified as being used for inter-state transmission by the RPCs, and a revenue sharing agreement dated 27th October 2016 with the CTU.

PWTL operates four transmission lines of 1,028.11 ckm comprising two 765 kV double circuit line of 204.47 ckm from Gadarwara (Madhya Pradesh) to Jabalpur (Madhya Pradesh), one 765 kV double circuit line of 627.35 ckm from Gadarwara (Madhya Pradesh) to Warora (Maharashtra), and one 400 kV double circuit line of 196.29 ckm from Wardha and Parli (Maharashtra) to Warora (Maharashtra). In addition, PWTL has established one 765/400 kV substation in Warora (Maharashtra).

As of March 31st, 2024, the Gross Block of Property, Plant and Equipment (including Intangibles) was INR 23,483.19 Mn.

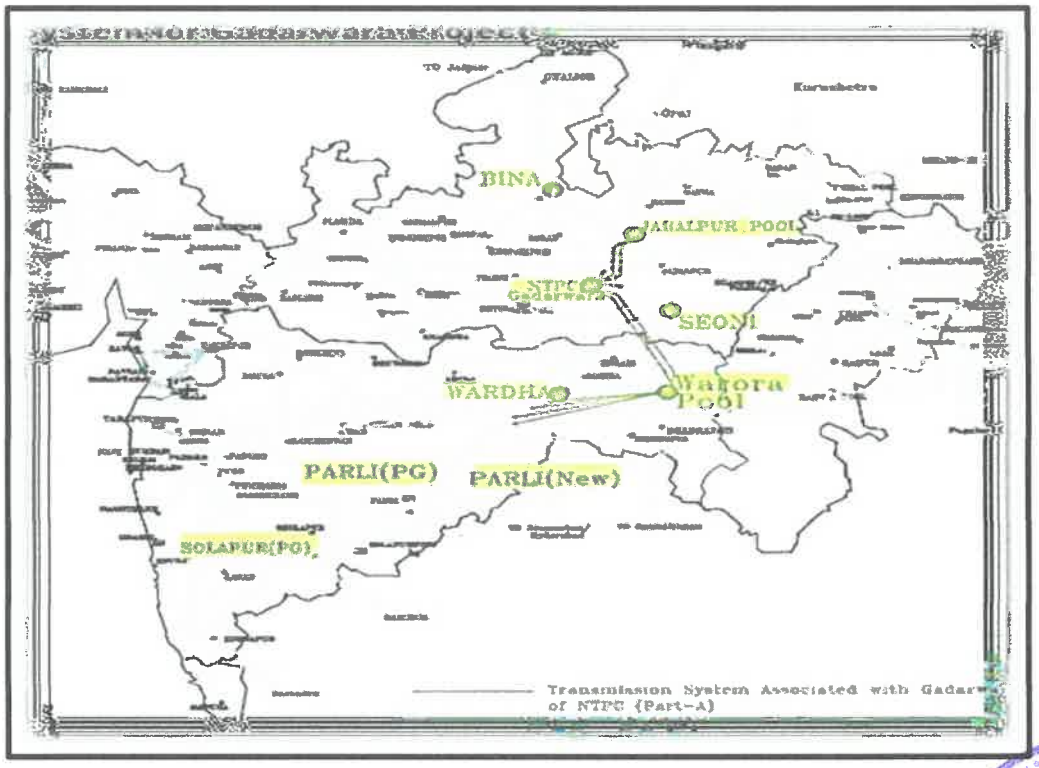

All the elements have been successfully charged and Date of Commercial Operation (DOCO) declared as per details below:

Transmission Line/ Substations	Location	Line length/ Capacity	Specifications	COD	Contribution to total transmission charges
As per the interim arrangement, LILO of existing Seoni-Bina 765kV S/C line at Gadarwara STPS would be established. At a later date, LILO portion would be delinked from Seoni- Bina 765kV S/C line to restore the Seoni-Bina765 S/C direct line, and the LILO portion would be extended to the Jabalpur 765/400 kV Pooling Station to form the proposed Gadarwara 765/400kV Pooling Station to form the proposed Gadarwara- Jabalpur Pool 765 kV D/C line	Madhya Pradesh	30.55 ckm	765 kV D/C	30-Nov-16	21.00%
Gadarwara STPS-Jabalpur Pool	Madhya Pradesh	173.92 ckm	765 kV D/C	31-May-17	
Gadarwara STPS-New Pooling Station within the jurisdiction/ boundary of Warora	Madhya Pradesh and Maharashtra	627.35 ckm	765 kV D/C	10-Jul-18	
LILO of both circuits of Wardha - Parli (PG) 400 kV D/C line at Warora* Pooling Station (Quad)	Maharashtra	196.29 ckm	400 kV D/C	16-May-18	79.00%
Establishment of 2X1500 MVA 765/400 kV (New Pooling Station within the jurisdiction/boundary Warora)	Maharashtra	3,000 MVA	765/400 kV	10-Jul-18

GRID Map of POWERGRID Warora Transmission Limited

Historical Average Annual Availability of PWTL:

Source: Management Input

Note: Average availability for FY 2023-24 (Apr-March) is on provisional basis

We have been provided with the financial projections of the PWTL for balance tenor of the TSA i.e. uptill July 09th, 2053, therefore we have referred the same for our analysis. Estimation of the net cash flows of the company to be in explicit period based on these financial projections.

The projections of PWTL are based on the following critical inputs:

Inputs	Details
Transmission Revenue	Transmission revenue of PWTL is provided in the TSA for the life of the project. It comprises non-escalable transmission revenue and escalable transmission revenue as follows:: a. Non-Escalable Transmission Revenue – It has been considered as per long term Transmission Service Agreement of PWTL. We have corroborated the non-escalable transmission revenue provided by the Management in the financial projections with the TSA of PWTL. b. Incremental Revenue – In case of PWTL, POWERGRID filed a petition with regard to an increased project cost due to the Change in Law claiming incremental transmission charges as per the TSA and relevant CERC regulations.. In this regard, CERC in its order dated 25th January 2021 awarded a total claim for increase in transmission charges owing to the change in law. As per the CERC order, incremental revenue is computed basis Article 12.2 of the TSA agreement, which states, for every cumulative increase/decrease of each INR 79.0 Mn in the project cost up to the scheduled COD of the Project, the increase/decrease in Non-Escalable Transmission Charges shall be an amount equal to Zero Point Three One Three percent (0.313%) of the Non-Escalable Transmission Charges. As per the Share Purchase Agreement executed between POWERGRID, IDBI Trusteeship Services Limited (in its capacity as Trustee to PGInvIT), PUTL (in its capacity as Investment Manager to PGInvIT) and PWTL for the

transfer of shares to the Trust, the incremental transmission tariff expected to be received by PWTL in future owing to the change in law was supposed to be passed on to the Sponsor (POWERGRID). However, PWTL in March 2022 has purchased the Right of Additional Revenue from POWERGRID at INR 1,118.4 Mn which was a related party transaction.
In compliance with the CERC order dated 25th January 2021 the total claim for billing owing to the compensation awarded by CERC is hereunder:

Description	Claim as per petition of PWTL (INR Mn)	Claim allowed as per CERC order (INR Mn)
Increase in acquisition Price by Bid Process Coordinator (BPC)	5.8	4.0
Increase in cost owing to introduction of GST	201.7	189.7
Land Compensation	747.8	675.8
Total	955.3	869.5
Change in Annual transmission charges as per Article 12.2.1 of the TSA		3.45% (869.5*0.313%/79)

Source: Management Inputs

Based on the CERC order and Article 12.2.1 of TSA, an increase in Annual transmission charges is 3.45%

The Charge computed above is applied on the projected Non-Escalable Transmission charges to arrive at the incremental revenue for the respective forecast financial year

Incentive

As per the TSA, if the availability in a contract year exceeds the target availability of 98%, PWTL shall be entitled to an annual incentive as follows:

Incentive = 0.02 X Annual Transmission Charges X (Actual Annual Availability – Target Availability)

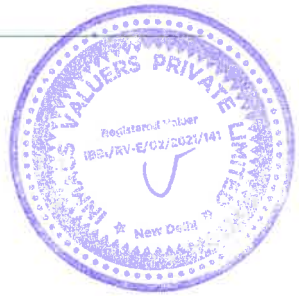

No incentive shall be payable above the availability of 99.75%. Management expects the annual availability for PWTL at or above 99.75% during the forecast period.

Penalty

If the availability in any contract year falls below 95%, PWTL shall be penalised as per the TSA. As represented to us by the Management, the availability in any contract year shall not fall below 95% during the forecast period and thus the penalty has not been considered in the financial projections.

Inputs	Details
Operations & Maintenance ("O&M") Expenses	O&M expenses for PWTL have been estimated by the Management at INR 98.61 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum as per O&M Agreement and Management estimates. We have relied on the projections provided by the Management.
Project Management ("PM") Expenses	Project Management expenses for PWTL have been estimated by the Management at INR 14.79 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum as per Project Implementation and Management Agreement. We have relied on the projections provided by the Management.
License fees	Annual License fee has been estimated by the Management for the forecast period at 0.11% of Annual Transmission Charges as provided under the CERC regulations.
Power charges	Power charges for PWTL have been estimated by the Management at INR 7.25 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum.
Security charges	Security expenses for PWTL have been estimated by the Management at INR 6.51 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 6.50% per annum.
Insurance Expenses	Insurance expenses for PWTL have been estimated by the Management (based on the invoice obtained from insurer) at INR 73.82 Mn in FY2025. Insurance expenses are expected to remain constant throughout the life of the project.
Key Managerial Personnel Expenses	Key Managerial Personnel Expenses for PWTL have been estimated at INR 3.33 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 8.33% per annum.
System and Market Operation Charges	System and Market Operation Charges for PWTL have been estimated by the Management at INR 6.59 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 6.50% per annum.
Audit Expenses	Audit Expenses for PWTL have been estimated by the Management at INR 0.30 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 5% per annum.
Other Administrative Expenses and Other Expenses	Other Administrative Expenses and Other Expenses for PWTL have been estimated by the Management at INR 1.29 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 5% per annum.

Inputs	Details
Breakdown Contingencies	The Management has estimated that an amount of INR 0.50 Mn per annum shall be spent with respect to breakdown contingencies for PWTL during the forecast period.
CSR Expense	As per the provisions of Section 135 of the Companies Act 2013, a CSR Expense of 2% of the average profits for the past 3 years for PWTL has been considered.
Depreciation	Depreciation is being calculated using Straight Line Method over the life of the project considering a salvage value of 5% as per the Companies Act, 2013. For calculating depreciation as per Income Tax Act for the projected period, depreciation rate as specified in the Income Tax Act and WDV as per Income Tax Return filed by PWTL have been considered. PWTL is expected to incur certain maintenance capital expenditure during the forecast period. The effect of the same has been considered while computing both book and income tax depreciation. In March 2022, PWTL has purchased the Right of additional revenue from POWERGRID at INR 1,118.4 Mn as discussed above. The purchase consideration has been recognised as an Intangible asset (Right of Additional Revenue) in the balance sheet of PWTL. We understand from the Management that the amortization of the above intangible asset (Right of additional revenue) will be tax deductible under the Income Tax Act, 1961 and, accordingly, we have considered the tax amortisation of the above intangible asset in the valuation.
Tax Rate	PWTL shall pay taxes under the new regime at the rate of 25.17% throughout the forecast period. The effective tax rate throughout the forecast period shall be 25.17%
Working Capital	The Management have envisaged the working capital requirement of PWTL for the forecast period. The major operating working capital assumptions are as follows: a. Trade Receivables days – 45 days b. Unbilled Revenue days – 31 days
Debt	The borrowings as on March 31st, 2024 of PWTL is from PGInvIT at an interest rate of 14.5% p.a.
Capital Expenditure	The Management has provided us estimated capital expenditure to be incurred over the forecast period for PWTL. We have relied on the projections provided by the Management.
Contingent Liabilities	The Management represented that, as per the Share Purchase Agreement executed between POWERGRID, IDBI Trusteeship Services Limited (in its capacity as Trustee to PGInvIT), PUTL (in its capacity as Investment Manager to PGInvIT) and Specified SPVs, POWERGRID has undertaken to indemnify, defend and hold harmless the Trust and the Investment Manager from and against losses which relate to or arise from inter-alia any pending or threatened claims against the Specified SPVs from the period prior to and including the First Closing Date i.e. 13th May 2021 and no major contingent liabilities have arisen for the period after 13th May 2021. Since no major contingent liability has to be borne by PWTL, there is no impact of contingent liability on the valuation.

Sensitivity Analysis

Sensitivity analysis is an analysis technique that works on the basis of what-if analysis like how independent variables can affect the dependent variable. As discussed above, DCF valuation involves use of critical inputs to determine equity value, these critical inputs are independent variables and resultant equity value is dependent variable.

The table below is a what-if analysis table, wherein the impact on equity value and enterprise value has been produced considering critical input being discount rates vary by 50 basis points in either direction.

(in ₹ millions)

Sensitivity		Equity Value	Enterprise Value
Discount rates	`	9,237.13	23,539.62
	8%	10,931.48	25,233.97
	8.50%	9,824.85	24,127.34
	8.79%	9,237.13	23,539.62
	9%	8,822.05	23,124.54
	9.50%	7,908.65	22,211.14
	9.75%	7,481.70	21,784.19

10.4.3 Additional Disclosures

The Schedule V of the SEBI InvIT Regulations prescribes the minimum set of mandatory disclosures to be made in the valuation report.

Below is the additional information as required by the regulations

Parameter	Details
List of one-time sanctions/approvals which are obtained or pending	The list is enclosed in Annexure – 4 to the report.
List of up to date/ overdue periodic clearances	We have included the details in Annexure – 4 to the report.
Statement of assets included:	The details of assets of PWTL as of March 31st, 2024 are provided in Annexure – 9.

<table>
<tr><th>Parameter</th><th>Details</th></tr>
<tr><td>Estimates of already carried out as well as proposed major repairs and improvements along with estimated time of completion:</td><td>We understand from the Management that no major repairs and improvements of the assets have been performed till date. Also, PWTL does not plan to perform any major repairs and improvements during the life of the project except CAPEX requirement captured above in the analysis.
However, PWTL incurs regular annual maintenance charges of Transmission Lines. The projected operation and maintenance charges for the life the project along with the projected inflation rate is as follows:

<table><tr><th>Expenses</th><th>O&M Expenses</th></tr><tr><td>FY 2025</td><td>98.61</td></tr><tr><td>FY 2026</td><td>102.07</td></tr><tr><td>FY 2027</td><td>105.65</td></tr><tr><td>Annual inflation rate FY25 to FY54</td><td>3.51%</td></tr></table>Source: Management input
Expenses in ₹ millions</td></tr>
<tr><td>Revenue pendencies including local authority taxes associated with InvIT asset and compounding charges if any.</td><td>The Management has informed that there are no dues including local authority taxes pending to be payable to the Government authorities except as disclosed in the audited financial statements.</td></tr>
<tr><td>On-going material litigations including tax disputes in relation to the assets, if any</td><td>The list of on-going material litigations including tax disputes in relation to PWTL are provided in Annexure – 14.</td></tr>
<tr><td>Vulnerability to natural or induced hazards that may not have been covered in town planning building control.</td><td>Management has confirmed that there are no such natural or induced hazards which have not been considered in town planning/ building control.</td></tr>
<tr><td>Latest Pictures of the project along with date of physical inspection</td><td>Please refer Annexure – 19.</td></tr>
<tr><td>Valuation of the project in the previous 3 years</td><td>Equity Value for PWTL (100%) as on -

10.5 POWERGRID Jabalpur Transmission Limited

10.5.1 About the company

Company	POWERGRID Jabalpur Transmission Limited
CIN	U40300DL2014GOI270433
Incorporation Date	August 14,2014
Gross Block as on March 31, 2024	₹ 16,407.50 Million
TSA date	November 19,2014
Scheduled COD	June 26,2018
Project COD	January 01,2019
Expiry date	35 years from the date of COD
PGCIL shareholding	26%
PGInvIT shareholding	74%

The project was awarded on 10th February 2015, through the TBCB mechanism, for a 35-year period from the Scheduled COD, i.e., 25th June 2018. As of the date, PJTL proposes to enter into a supplementary agreement to extend the Scheduled COD under the PJTL TSA to the date of the actual COD i.e., 1st January 2019. PJTL was granted transmission license by CERC on 15th June 2015.

Subsequently, PJTL entered into a TSA dated 22nd August 2016 with the CTU, inter-state transmission service customers, inter-state transmission service licensees and non-inter-state transmission service licensees whose assets have been certified as being used for inter-state transmission by the RPCs, and a revenue sharing agreement dated 22nd August 2016 with the CTU.

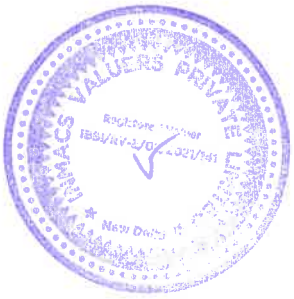

PJTL operates one transmission line of 745.01 ckm comprising 765 kV double circuit line of from Vindhyachal Pooling Station to Jabalpur Pooling Station.

As of March 31st, 2024, the Gross Block of Property, Plant and Equipment (including Intangibles) was INR 16,407.50 Mn.

All the elements have been successfully charged and Date of Commercial Operation (DOCO) declared as per details below:

Transmission Line/ Substations	Location	Line length/ Capacity	Specifications	COD	Contribution to total transmission charges
Vindhyachal Pooling Station- Jabalpur Pooling Station 765 kV D/C line	Madhya Pradesh	745.01 ckm	745.01 ckm	01-Jan-19	100.00%

Source: Management Input

Note: Average availability for FY 2023-24 (Apr-March) is on provisional basis

We have been provided with the financial projections of the PJTL for balance tenor of the TSA i.e. up till December 31st, 2053, therefore we have referred the same for our analysis. Estimation of the net cash flows of the company to be in explicit period based on these financial projections.

The projections of PJTL are based on the following critical inputs:

Inputs	Details
Transmission Revenue	Transmission revenue of PJTL is provided in the TSA for the life of the project. It comprises non-escalable transmission revenue and escalable transmission revenue as follows:: a. Non-Escalable Transmission Revenue – It has been considered based on long term Transmission Service Agreement of PJTL. We have corroborated the non-escalable transmission revenue provided by the Management in the financial projections with the TSA of PJTL. b. Incremental Revenue – In case of PJTL, POWERGRID filed a petition with regard to an increased project cost due to the Change in Law claiming incremental transmission charges as per the TSA and relevant CERC regulations. In this regard, CERC in its order dated 28th October 2021, awarded a total claim for increase in transmission charges owing to the change in law. As per the CERC order, incremental revenue is computed basis Article 12.2 of the TSA agreement, which states, for every cumulative increase/decrease of each INR 37.6 Mn in the project cost up to the scheduled COD of the Project, the increase/decrease in Non-Escalable Transmission Charges shall be an amount equal to Zero Point Three One Three percent (0.313%) of the Non-Escalable Transmission Charges. As per the Share Purchase Agreement executed between POWERGRID, IDBI Trusteeship Services Limited (in its capacity as Trustee to PGInvIT), PUTL (in its capacity as Investment Manager to PGInvIT) and PJTL for the transfer of shares to the Trust, the incremental transmission tariff expected to be received by PJTL in future owing to the change in law was supposed to be passed on to the Sponsor (POWERGRID). However, PJTL in March 2022 has purchased the Right of Additional Revenue from POWERGRID at INR 1,113.0 Mn which was a related party transaction. In compliance with the CERC order dated 28th October 2021 and LTTC's reply (Maharasthra State Electricity Distribution Company limited), dated 21st January 2022, the total claim for billing owing to the compensation awarded by CERC is hereunder:

Description	Claim as per petition of PWTL (INR Mn)	Claim allowed as per CERC order (INR Mn)
Increase in acquisition Price by Bid Process Coordinator (BPC)	3.5	2.3
Increase in cost owing to introduction of GST	210.3	191.4
Land Compensation	552.6	434.1
Total	766.4	627.8
Change in Annual transmission charges as per Article 12.2.1 of the TSA		5.23% (627.8*0.313%/37.6)

Source: Management Inputs

Based on CERC order and Article 12.2.1 of TSA an increase in Annual transmission charges is 5.23%.
The Charge computed above is applied on the projecte Non-Escalable Transmission charges to arrive at the incremental revenue for the respective forecast financial year.

Inputs	Details
Incentive	As per the TSA, if the availability in a contract year exceeds the target availability of 98%, PJTL shall be entitled to an annual incentive as follows: Incentive = 0.02 X Annual Transmission Charges X (Actual Annual Availability – Target Availability) No incentive shall be payable above the availability of 99.75%. Management expects the annual availability for PJTL at or above 99.75% during the forecast period.
Penalty	If the availability in any contract year falls below 95%, PJTL shall be penalised as per the TSA. As represented to us by the Management, the availability in any contract year shall not fall below 95% during the forecast period and thus the penalty has not been considered in the financial projections.
Operations & Maintenance ("O&M") Expenses	O&M expenses for PJTL have been estimated by the Management at INR 33.05 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum as per O&M Agreement and Management estimates. We have relied on the projections provided by the Management.
Project Management ("PM") Expenses	Project Management expenses for PJTL have been estimated by the Management at INR 4.96 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 3.51% per annum as per Project Implementation and Management Agreement. We have relied on the projections provided by the Management.
License fees	Annual License fee has been estimated by the Management for the forecast period at 0.11% of Annual Transmission Charges as provided under the CERC regulations.
Insurance Expenses	Insurance expenses for PJTL have been estimated by the Management (based on the invoice obtained from insurer) at INR 51.59 Mn in FY2025. Insurance expenses are expected to remain constant throughout the life of the project.
Key Managerial Personnel Expenses	Key Managerial Personnel Expenses for PJTL have been estimated by the Management at INR 3.33 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 8.33 % per annum.
System and Market Operation Charges	System and Market Operation Charges for PJTL have been estimated by the Management at INR 4.80 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 6.50% per annum.
Audit Expenses	Audit Expenses for PJTL have been estimated by the Management at INR 0.30 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 5 % per annum.

Inputs	Details
Other Administrative Expenses and Other Expenses	Other Administrative Expenses and Other Expenses for PJTL have been estimated by the Management at INR 1.29 Mn in FY2025. During the forecast period, these expenses have been escalated at the rate of 5% per annum.
Breakdown Contingencies	The Management has estimated that an amount of INR 0.50 Mn per annum shall be spent with respect to breakdown contingencies for PJTL during the forecast period.
CSR Expense	As per the provisions of Section 135 of the Companies Act 2013, a CSR Expense of 2% of the average profits for the past 3 years for PJTL has been considered.
Depreciation	Depreciation is being calculated using Straight Line Method over the life of the project considering a salvage value of 5% as per the Companies Act, 2013. For calculating depreciation as per Income Tax Act for the projected period, depreciation rate as specified in the Income Tax Act and WDV as per Income Tax Return filed by PJTL have been considered. PJTL is expected to incur certain maintenance capital expenditure during the forecast period. The effect of the same has been considered while computing both book and income tax depreciation. In March 2022, PJTL has purchased the Right of additional revenue from POWERGRID at INR 1,113.0 Mn as discussed above. The purchase consideration has been recognised as an Intangible asset (Right of Additional Revenue) in the balance sheet of PJTL. We understand from the Management that the amortization of the above intangible asset (Right of additional revenue) will be tax deductible under the Income Tax Act, 1961 and, accordingly, we have considered the tax amortisation of the above intangible asset in the valuation.
Tax Rate	PJTL shall pay taxes under the new regime at the rate of 25.17% throughout the forecast period. The effective tax rate throughout the forecast period shall be 25.17%
Working Capital	The Management have envisaged the working capital requirement of PJTL for the forecast period. The major operating working capital assumptions are as follows: a. Trade Receivables days – 45 days b. Unbilled Revenue days – 31 days
Debt	The borrowings as on March 31st, 2024 of PJTL is from PGInvIT at an interest rate of 14.5% p.a.
Capital Expenditure	The Management has estimated capital expenditure to be incurred over the forecast period for PJTL. We have relied on the projections provided by the Management.

Inputs	Details
Contingent Liabilities	The Management represented that, as per the Share Purchase Agreement executed between POWERGRID, IDBI Trusteeship Services Limited (in its capacity as Trustee to PGInvIT), PUTL (in its capacity as Investment Manager to PGInvIT) and Specified SPVs, POWERGRID has undertaken to indemnify, defend and hold harmless the Trust and the Investment Manager from and against losses which relate to or arise from inter-alia any pending or threatened claims against the Specified SPVs from the period prior to and including the First Closing Date i.e. 13th May 2021 and no major contingent liabilities have arisen for the period after 13th May 2021. Since no major contingent liability has to be borne by PJTL, there is no impact of contingent liability on the valuation.

10.5.2 DCF Valuation Analysis

POWERGRID Jabalpur Transmission Limited
DCF Valuation Analysis

Valuation Date: March 31st, 2024

Sensitivity Analysis

Sensitivity analysis is an analysis technique that works on the basis of what-if analysis like how independent variables can affect the dependent variable. As discussed above, DCF valuation involves use of critical inputs to determine equity value, these critical inputs are independent variables and resultant equity value is dependent variable.

The table below is a what-if analysis table, wherein the impact on equity value and enterprise value has been produced considering critical input being discount rates vary by 50 basis points in either direction.

(in ₹ millions)

Sensitivity		Equity Value	Enterprise Value
Discount rates		5,805.95	17,067.44
	8%	7,076.85	18,338.34
	8.50%	6,246.13	17,507.62
	8.79%	5,805.95	17,067.44
	9%	5,495.49	16,756.98
	9.50%	4,813.59	16,075.08
	9.75%	4,495.45	15,756.94

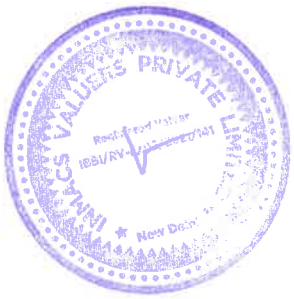

10.5.3 Additional Disclosures

The Schedule V of the SEBI InvIT Regulations prescribes the minimum set of mandatory disclosures to be made in the valuation report.

Below is the additional information as required by the regulations

Parameter	Details
List of one-time sanctions/approvals which are obtained or pending:	The list is enclosed in Annexure – 5 to the report.
List of up to date/ overdue periodic clearances:	We have included the details in Annexure – 5 to the report.
Statement of assets included:	The details of assets of PJTL as of March 31st, 2024 are provided in Annexure – 10.
Estimates of already carried out as well as proposed major repairs and improvements along with estimated time of completion:	We understand from the Management that no major repairs and improvements of the assets have been performed till date. Also, PJTL does not plan to perform any major repairs and improvements during the life of the project except CAPEX requirement captured in the above analysis. However, PJTL incurs regular annual maintenance charges of Transmission Lines. The projected operation and maintenance charges for the life the project along with the projected inflation rate is as follows: Expenses | O&M Expenses FY 2025 | 33.05 FY 2026 | 34.21 FY 2027 | 35.41 Annual inflation rate FY25 to FY54 | 3.51% *Source: Management input* *Expenses in ₹ millions*
Revenue pendencies including local authority taxes associated with InvIT asset and compounding charges if any.	The Management has informed that there are no dues including local authority taxes pending to be payable to the Government authorities except as disclosed in the audited financial statements.
On-going material litigations including tax disputes in relation to the assets, if any:	The list of on-going material litigations including tax disputes in relation to PJTL are provided in Annexure – 15.
Vulnerability to natural or induced hazards that may not have been covered in town planning building control.	Management has confirmed that there are no such natural or induced hazards which have not been considered in town planning/ building control.

Latest Pictures of the project along with date of physical inspection:	Please refer Annexure – 20.
Valuation of the project in the previous 3 years	Equity Value for PJTL (100%) as on - • September 30th, 2023: ₹ 5,709.58 million (Report dated October 28th, 2023 by Inmacs Valuers Private Limited) • March 31st, 2023: ₹ 5,456.86 million (Report dated May 17th, 2023 by Inmacs Valuers Private Limited) • September 30th, 2022: ₹ 5,586.69 million (Report dated October 28th, 2022 by Inmacs Valuers Private Limited) • March 31st,2022: ₹ 9,385.5 million (Report dated May 17th, 2022 by RBSA Valuation Advisors LLP) • September 30th, 2021: ₹ 9,480.0 million (Report dated October 28th, 2021 by RBSA Valuation Advisors LLP)
Purchase price of the project by the InvIT	INR 7,234.13 million (Acquired during IPO) Acquisition was made from Power Grid Corporation of India Limited (Sponsor) and the transaction was related party transaction.

11. Valuation Conclusion

We have carried out the Enterprise and Equity Valuation of the Specified SPVs as of March 31st, 2024 considering inter-alia historical performance of the Specified SPVs, Business plan/ Projected financial statements of the Specified SPVs and other information provided by/ on behalf of the Investment Manager, industry analysis and other relevant factors.

In performing the valuation analysis, we have adopted the Discounted Cash Flow Method under the Income Approach.

The Valuation summary of the Specified SPVs as of March 31st, 2024 is as follows (in million)

₹ in millions

Specified SPV	Enterprise Value	Equity Value	No.of Equity Shares	Value per Share	% of Holding of PgInvIT	Value PGInvIT's Holding
Vizag Transmission Limited	18,730.60	11,069.05	209.73	52.78	100%	11,069.05
POWERGRID Kala Amb Transmission Limited	3,938.61	2,094.40	61.00	34.33	74%	1,549.86
POWERGRID Parli Transmission Limited	21,427.17	9,917.63	322.10	30.79	74%	7,339.05
POWERGRID Warora Transmission Limited	23,539.62	9,237.13	393.30	23.49	74%	6,835.48

12. Limitations/ Disclaimer

This report is subject to the limitations detailed hereinafter.

As such the report is to be read in totality, and not in parts, in conjunction with the relevant documents referred to herein and in the context of the purpose for which it is made. This report is prepared with a limited purpose/ scope as identified and will be confidential being for use only to which it is issued. It must not be copied, disclosed or circulated in any correspondence or discussions with any person, except to whom it is issued and to those who are involved in this transaction and for various approvals and regulatory filings required for this transaction.

Valuation is not a precise science and the conclusions arrived at in many cases will, be of necessity, be subjective and dependent on the exercise of individual judgment. There is, therefore, no indisputable single value. While we have provided an assessment of the value based on the information available, application of certain formulae and within the scope and constraints of our engagement, others may place a different value to the same.

Our scope of work does not enable us to accept responsibility for the accuracy and completeness of the information provided to us. We have, therefore, not performed any audit, review or examination of any of the historical or prospective information used and therefore, does not express any opinion with regards to the same.

The draft of the present report was circulated to the Management for confirming the facts stated in the report and to confirm that information or facts stated are not erroneous and the assumptions used are reasonable.

Our work does not constitute an audit or certification of the historical financial statements/prospective results including the working results of the Company referred to in this report. Accordingly, we are unable to and do not express an opinion on the fairness or accuracy of any financial information referred to in this report. Valuation analysis and results are specific to the purpose of valuation mentioned in the report is as per agreed terms of our engagement. It may not be valid for any other purpose or as at any other date. Also, it may not be valid if done on behalf of any other entity.

In the course of the valuation, we were provided with both written and verbal information. We have however, evaluated the information provided to us by the Company through broad inquiry, analysis and review but have not carried out a due diligence or audit of the information provided for the purpose of this engagement. Our conclusions are based on the assumptions, forecasts and other information given by/on behalf of the Company. We assume no responsibility for any errors in the above information furnished by the Company and consequential impact on the present exercise.

A valuation of this nature involves consideration of various factors including those impacted by prevailing market trends in general and industry trends in particular. This report is issued on the understanding that the Management has drawn our attention to all the matters, which they are aware of concerning the financial position of the Company and any other matter, which may have an impact on our opinion, on the fair value of the shares of the Company including any significant changes that have taken place or are likely to take place in the financial position of the Company. We have no responsibility to update this report for events and circumstances occurring after the date of this report.

Any person/party intending to provide finance/invest in the shares/business of the Company shall do so after seeking their own professional advice and after carrying out their own due diligence procedures to ensure that they are making an informed decision.

The decision to carry out the transaction (including consideration thereof) lies entirely with the Management / the Company and our work and our finding shall not constitute a recommendation as to whether or not the Management / the Company should carry out the transaction.

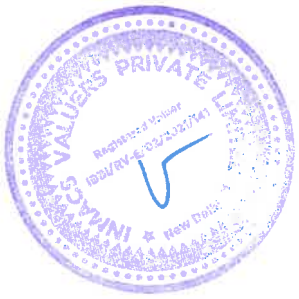

Neither the firm nor its partners, managers, employees makes any representation or warranty, express or implied, as to the accuracy, reasonableness or completeness of the information, based on which the valuation is carried out. As such parties expressly disclaim any and all liability for, or based on or relating to any such information contained in the valuation.

This Report is based on the information provided by the Management. The exercise has been restricted and kept limited to and based entirely on the information provided to us. We have completely relied on the information provided by the Management and have assumed that the information provided is accurate and complete in all material respects.

We have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as original, and the conformity of the copies or extracts submitted to us with that of the original documents.

We have assumed that the documents provided to us by the Management in connection with any particular issue are the only documents related to such issue.

We have analysed the information provided by the Management from the limited perspective of examining issues noted in the scope of work and we do not express any opinion as to the legal or technical implications of the same.

(iii) OTHER PENDING LITIGATION								

1	Revenue Case	POWERGRID CORPORATION OF INDIA LIMITED	Tehsildar, Warora	Tehsildar, Warora	Rs. 33,14,410/-	Revenue Case No. 1/2018	On 10.01.2018, Ld. Tahsildar, Warora has issued an order that the PWTL has done construction for commercial use without obtaining the permission from the change of use from the agricultural purpose to non-agricultural purpose. As per said order, the Naib-Tahsildar, Warora committed error in imposing N.A. taxes of Rs. 7,45,740/- without imposing penalty and therefore, Ld. Tehsildar has reviewed order and imposed 40 times penalty of Rs. 33,14,400/- in addition to non-agricultural taxes. The said order was challenged by POWERGRID on 06.03.2018, by filing an appeal before the Sub-Divisional Officer Warora, under section 247 of Maharashtra Land Revenue Code, 1966. The main contention on behalf of the undersigned corporation was that, as per Section 44A of the Maharashtra Land Revenue Code, if the land is used for bonafide industrial use than there is no requirement of conversion of land. Further, the explanation to section 44-A of Maharashtra Land Revenue Code clearly states that the power project is a bonafide use of land for industrial purpose. Thereafter, vide order dated 17.07.2018, Hon'ble Appellate Authority under Maharashtra Land Revenue Code has partially allowed the appeal and remanded the matter to the Tahsildar, Warora for decision on the points submitted by the objector. The matter was finally argued on 23.02.2022. The order is still awaited in the matter	Final order is awaited.
